LOOKING AHEAD FOR FUTURE

TAKING SIGHT—Mrs. Henry N. Kuechler Jr. of Atherton looks through a transit with which workers are surveying positions of foundation structures of Little House, now under construction at Nealon park while Congressman J. Arthur Younger holds the golden spade with which Mrs Kuechler turned the first earth at an official groundbreaking for the facility Friday and Mayor Michael L. Belangie observes. —Recorder photo

'Pioneering Venture'

Officials Join to Praise 'Little House' As Ground Is Broken for New Building

With a short, simple ceremony last Friday afternoon, ground was officially broken for Menlo Park's new Little House in Nealon park.

Construction of the $30,000 building had actually started earlier last week, with Contractor M. C. Ingraham getting the job underway promptly upon receiving a building permit. But this did not alter the significance of the occasion or make less notable the efforts which, Congressman J. Arthur Younger summed up as "a pioneering venture."

Officially, the first spadeful of earth was turned by Mrs. Henry N. Kuechler Jr., founding chairman of the Peninsula Volunteers, sponsors of Little House.

Menlo Park's Mayor, Michael L. Belangie, turned the second spadeful. The new construction is on land made available by the city.

High point of the dedication was the turning over of a check for $1632 to PV President Mrs. Kenneth Walker by Gay Anderson, president of Little House, on behalf of members of the senior recreation center. The "over 50" group, now numbering more than 350 members, pledged to outfit the new facility's kitchen.

Mrs. Walker presided at the affair and introduced featured speakers.

TELLS PRIDE

Mayor Belangie gave voice to the pride which Menlo Park itself feels toward the project, and observed that such work as has been done by the PV's, in a community the size of Menlo Park, commands national attention. He aserted:

"It is a privilege of the community to do something for the men and women who have lived and worked here so long" and added that "in a couple of more years" he too would be eligible for membership.

Congressman Younger, who was present as a guest, said he attended to "see something new in this country . . . this is a pioneering venture . . ." and added that he was proud such an enterprise has been undertaken by his constituency, and that he would be happy to see the development of such facilities elsewhere in the nation.

Dr. Russell V. Lee, Palo Alto physician and member of the Little House Advisory board, called attention to the community's obligation to "add life to years, where the medical profession has added years to life . . ."

He also congratulated the PV's on the success of their efforts and the manner in which the senior recreation center has grown during the past four years.

HAPPY WITH PROJECT

Mrs. Kingsford Jones, Little House chairman of the PV's, stated her happiness with the success of the building project and introduced Mayor Harry A. Mitchell of Atherton. Mitchell was also an honored guest.

Anderson, president of Little House's "over 50" group, traced the growth of Little House since it was first opened on April 5, 1949 in a small dwelling at Menlo avenue and Doyle street.

He pointed out that the growth of the group's membership has forced the PV's to "step up" their program.

Before handing Mrs. Walker (Continued on Page 10)

IN CASE OF FIRE CALL DA 3-2404

Merchants Join Study Of Sign Law

Menlo Park merchants will join city government officials in an effort to complete formulation of a sign ordinance for the city of Menlo Park, it was indicated this week.

A subcommittee of the merchants' committee of the Chamber of Commerce has been appointed for the purpose of studying the porposed sign ordinance, recommending modifications, submitting these to the Chamber of Commerce board of directors for presentation to planning commission.

The action was undertaken after a Monday night meeting of the commission at which it was revealed that signs which will not conform to the proposed ordinance—as, if and when it is adopted—are still being erected in Menlo Park.

One Menlo Park sign painter who has been attempting to conform to much-amended provisions of the proposed ordinance described himself as "losing business" as the result of these efforts and a merchant who submitted a display sign for approval, had his application taken under advisement at the Monday night meeting.

J. R. McDonald, who represent-

(Continued on Page 2)

White Cane Day Slated Here To Help Blind

Mayor Michael L. Belangie, in a proclamation calling for support by all Menlo Park residents, this week designated Saturday, Sept. 19 as "White Cane day" in Menlo Park for the benefit of blind persons residing in this area.

The event is being sponsored by the Menlo Park Lions club.

Collection cans and posters have been placed in business houses earlier this week and, with the official day at hand, members of the Lions club and their wives, along with representatives of area Boy Scout units, wil sell miniature white canes on downtown streets.

200 CANES SOLD

One merchant, chairman Fred Simon said yesterday, has already sold 200 canes.

Goal of the drive has been set at $500.

Funds collected will be used in whatever way seems most worthwhile for the blind, Simon averred. A contribution may be made to the guide dog training center or the Palo Alto blind center, or may be used to purchase spectacles for some person with seriously impaired eyesight.

A total of 5000 canes have been stocked for the sale.

Municipal Library Urged By Mayor's Committee

The Mayor's Library committee Tuesday night gave its unanimous approval to a plan calling for the "establishment of a muncipal library," to be affiliated with the county library and calling for ultimate construction of a "basic library building to be financed by private capital."

The plan, as adopted, was worked out by the working committee of the Mayor's library panel, following two months of research and other data-gathering. Specifically, the report, to be submitted to the mayor and city council calls for:

"1. The Menlo Park city council should pass an ordinance establishing a municipal library.

"2. The proposed library should become affiliated with the San Mateo county library system.

"3. The San Mateo county library should be asked to include in its budget for its Menlo Park branch a sum to cover taxpayers outside the city limits who are entitled to use Menlo Park's facilities."

4. Cards of library patrons should be valid both at the county's bookmobile, at the Menlo Park branch of the county library, and county library.

"5. The city should annually increase the amount of money available to the proposed municipal library.

"6. The proposed jointly-operated municipal county branch library should: add second full-time professional librarian; stay open a greater number of hours; establish a shelf of "rental books"; and expand the circulating book and periodical collections.

KEEP QUARTERS

"7. The proposed jointly-operated municipal-county branch library should remain in present quarters at 631 Menlo avenue until a new municipal library building can be erected . . .

"8. A renewal lease for one year should be signed for the present library building, to cover occupancy to November 1954, with provision for optional month-to-month rental upon expiration.

"9. Menlo Park should plan and expedite the erection of a basic library building to house the proposed jointly-operated municipal-county branch library.

"10. The architect engaged should consult with the board of trustees of the proposed municipal library and the head-librarian of the proposed library.

"11. Erection of the proposed basic library building should be financed by private capital.

"12. The city should provide for the landscaping of the proposed building.

"13. The library furniture and equipment presently in the county library's Menlo Park branch

(Continued on Page 7)

At High School

IT'S FULL HOUSE

"We're full up!" S. S. Mayo, principal at Menlo-Atherton high school announced Monday afternoon, at the close of the first day of classes for the 1953-54 school year.

A total of 1485 students got to classes Monday morning.

Mayo said, however, that besides the 1485 already on hand, there were 98 students who registered last spring but who were apparently on late vacations and therefore not present Monday. He expected them all to be in class by today, making a total of approximately 1583 students.

Of those present Monday 404 were freshmen, 422 were sophomores, 372 were juniors and 287 were seniors.

"Anybody residing in this area, who is of high schol age but who hasn't yet registered had better sign up at Sequoia," Mayo warned. "We're loaded to capacity here."

High School Gym Building Started

Work started Monday on Menlo-Atherton high school's swimming pool and gymnasium auditorium, completion of which is scheduled for 300 calendar days.

Announcement that ground has been broken for the project was made by Arthur Janssen of Janssen, Daseking and Keller, architects for the project. Construction will be by Bogdanich Construction company of Santa Clara, whose bid of $377,500 for the project was the lowest of nine submitted to the Sequoia High School District board of trustees.

Award of the contract was made by the district trustees on Sept. 9.

Menlo-Atherton high school Principal S. S. Mayo said it is hoped the new building and pool unit wil be completed by the middle of July, 1954, so that it will be completely prepared when school opens the following fall.

3-Unit Store Building OKd

Showing a significant reorientation, a plan calling for construction of a store building to face an alley leading to one of the city's parking plazas, rather than facing the street, was submitted before the Menlo Park planning commission Monday night.

The plan, which got the planners' okay, was submitted by Mr. and Mrs. John Hanlon, 1144 Chestnut street. Their property is adjacent to an alley leading from that street to Menlo Park's Parking plaza No. 1.

According to drawings, the building has a 35-foot frontage on the street, but this will become the side of the building. The building will include three stores, one 20-foot in frontage area and the other two of 15-foot frontage, facing the alley.

Hanlon said the store will be of masonry construction, with windows facing the street from the side of the larger store. Cost of construction is estimated at $12,000.

No formal plans have yet been submitted, according to Building Inspector James D. Steiger, but informal drawings were fairly complete as of Monday night.

Is Uproar 'Too Late' or 'Too Early'?

Chamber of Commerce Calls Cloverleaf Safer for Willow

Amid conflicting charges of "too late" and "premature", the board of directors of the Menlo Park Chamber of Commerce Monday endorsed a "full cloverleaf" traffic interchange at the intersection of Willow road and the Bayshore freeway as being safer than the currently proposed "modified diamond" type.

The chamber board met in special session at the Allstate Insurance company building with city officials and members of the chamber's traffic safety committee to discuss relative merits of the two types of interchanges.

City Manager C. L. Longson called present uproar over the intersection "premature" and revealed that the state division of highways has not yet decided what type of interchange it is going to construct at the crossing.

Freeway agreements so far approved by the city allow only for closing off of city streets affected by the freeway and construction of some type of interchange at Willow road. Preliminary plans attached to the agreement, Longson pointed out, show a "modified diamond, so-called," but the state still has not drawn up its final layout for the project.

Longson further pointed out that the state itself has not yet signed the city-approved agreement, which included the provision that a pedestrian over pass be constructed at Ringwood avenue.

A meeting of interested parties has been called by highway officials to discuss the intersection plan on Sept. 29. A meeting previously set for the 17th was postponed.

County planning commissioners, and representatives of the Palo Alto Chamber of Commerce and Stanford university previously had stated their objections to the diamond structure and called for a full cloverleaf.

Mayor Michael L. Belangie, also present for the city, complained that the uproar came so late in proceedings.

He pointed out that the city council had approved the agreement early in the year after meeting with a state highway engineer. After objections were voiced, the council reconsidered, held several discussions and finally decided to stand behind its earlier approval.

No one appeared before the council to refute any of its facts and Monday's chamber of com-

(Continued on Page 10)

Sign Ordinance . . .

(Continued from Page 1)

ed the merchants' group before the planning commission, brought the matter into focus by pointing out that while some merchants are delaying construction of signs because they don't know what the zoning ordinance will require, others are building signs which will not conform on the basis that the ordinance is not yet passed.

The planners are to give further consideration to the sign ordinance at their regular informal meeting next Monday.

Planners, asked what the purpose of the ordinance was and where it is in the process of formulation, said that its purpose was to further enhance the residential character of the community and stated that they are now revising a previously proposed writ based on the city's master plan study.

McDonald stated the dilemma of the merchants: Signs pay off by bringing in customers; within two years the MP businessmen will be competing with larger, new shopping centers in the area.

He conceded, however, that some form of regulation is necessary to prevent "a race" from developing to see who could build the biggest sign, but observed that Menlo Park's proposed ordinance appears more conservative than that of most cities.

Al Truitt, Menlo Park sign painter, called attention to the fact that signs which will not conform are still being erected, although he added he has not been putting them up himself.

He pointed out, too, that the proposed ordinance calls for regulation of the amount of painting on the inside of display windows and observed.

"This is only a short step from telling a man what he can display in his store."

W. M. Giffin, who submitted a proposal for a 36-square-foot sign over a cleaning establishment in will operate facing Chestnut street, was told it would be "taken under advisement." His store will have 20 feet of frontage and, under the proposed ordinance, should therefore have a sign covering a maximum of 20 square feet.

But, it was pointed out, the sign will be in an alcove at the front of the building, and will have a relatively "low intensity" light output.

Commissioner Harrison Johnston explained the route the proposed ordinance has made through the city's government channels. After being suggested in the city's master plan report, it was taken under study by the planning commission and a resulting tentative ordinance was formulated. This was rejected by the city council.

The matter is now back before the planning commission, being further revised, and will be submitted again before the city council before it is passed.

RULES CHANGED

Meanwhile, Truitt produced a sketch of a sign for a new office at 301 El Camino Real. Proposed rules have been changed, he was told, since he asked for them in June before making the tentative drawings of the proposed sign.

Meanwhile, City Building Inspector said that putting up nonconforming signs was not the solution.

"I'll argue with those who put them up," he averred. "Some of them are coming down. The only reason they got here was because we couldn't be at every street corner in the city at all times."

Members of McDonald's committee include Milt Sheldrick, Al Weber, and Attorney Robert Ensign.

It's Too High:

Fence for Oak Avenue Backyard Ordered Destroyed as Planners Meet 'Challenge'

Menlo Park's planning commission Monday night dealt a sharp rap to the knuckles of a resident who built an illegally high fence by recommending that it be ordered torn down.

The resident was Dr. A. J. Gutknecht, 1740 Oak avenue, who built an 8 foot, 6 inch fence along 20 feet of the side of his property as "a test." Legal maximum height for fences of that type is 6 feet.

In applying for a variance to allow the fence to remain, Gutknecht told commissioners he was informed of the need for a variance when he sought a building permit. The fence, he said, is designed to serve as a windbreak for a swimming pool.

He decided to go ahead with construction, however and, he told the commissioners, he saw the matter as a "test case."

Usual procedure is to get permission to do so before building a non-conforming structure, planners were quick to point out.

Planning Commissioner Vaile Andrus observed that this was "sort of inviting a request to have the fence torn down, and asked City Attorney James T. O'Keefe Jr., to read, from the city's zoning ordinance, the circumstances under which variance may be granted.

O'Keefe told the commission that variances may be granted in cases of "hardship" or where "a substantial property right" of the applicant suffers from ordinary zoning regulations or where the "general health, safety and welfare" is menaced.

SEES 'CHALLENGE'

"The applicant has gone about this request for variance in a way which is a bit of a challenge," Andrus observed after hearing the reading, "and I don't see that his request for a higher fence is based on the ordinance . . ."

Other planners agreed, unanimously voting that the commission recommend "disapproval and denial" of the application.

Gutknecht was informed of his right to appeal the decision to the city council.

Las Lomitas Board Clarifies Stand on Law

Last Lomitas School District trustees this week explained that they had never "defied the state law" requiring statements of purpose of organizations using district facilities for meetings.

The explanation came in the wake of reports that the district had asked county school authorities whether or not they had to ask Boy Scout and P-TA groups to sign affadavits declaring they were not Communist organizations.

"We had never questioned the need for enforcing the law," Jack Robertson, clerk of the board of trustees, explained. "Rather, we wanted clarification as to its meaning before setting up a schedule of priorities under which organizations may obtain use of the new Ladera school's multi-purpose room.

According to Warren Natwick, assistant to the county superintendent of schools, the synopsis of the new law, passed just two weks ago by the state legislature:

"Requires, rather than allows, the governing board of a school district to require applicant individual or organization to submit specified written statement rather than an affadavit that school property will not be used for acts intended to further movements whose purpose is to overthrow the federal or state government by force, violence or other unlawful means . . ."

TELLS LAW

The new law specifically mentions "Communist front or Communist action organizations required to be registered with the US attorney general" as among those to be excluded from use of the building.

But, says Natiwick, this does not mean the new proviso requires a "loyalty oath."

The law requires that the "statement of purpose" made by applicants for use of school space must be by a duly authorized signer, with penalties of perjury for those who give false information.

The Las Lomitas school board is enforcing the law, since it has been clarified by the county school office. The district attorney was not consulted, and did not render a decision on whether or not they would be forced to.

NEW BELLE HAVENITE

Mr. and Mrs. Thomas Bleecker of 1135 Madera avenue on Sept. 11 welcomed a brand new daughter into their family circle.

Schools Tighten Transfer Rules

Tightening up its policy on interdistrict transfers of pupils, the enlo Park Elementary School District board of trustees Monday adopted a resolution calling for more stringent screening of individual cases.

According to the resolution, pils who are in sixth, seventh eighth grades in district scho who have been in schools here more than two years but wh parents have moved, will be all ed to continue their educations the local agency's plants.

All other pupils will be retu ed to their own districts, with exception of hardship cases where a child has been admit to schools here for reasons health.

The previous policy of the sch board was to judge each case its individual merits.

AT SEQUOIA HOSPITAL

Sequoia hospital was the scene Sept. 4 of the birth of a daughter to Mr. and Mrs. Alex Wallace of 409 Linfield drive.

WELCOME BABY BOY

Mr. and Mrs. Robert Richards of 1321 Hobart street on Sept. 7 welcomed a son, the latter born at Palo Alto hospital.

hool District Doubles Coverage Against bility; Endorses Insurance for Pupils

wo actions Monday night, the Park Elementary School t board of trustees doubled strict's general liability in- e coverage and recommend- r purchase by parents, "$1 a accident insurance for pu-

district's liability insurance will cost the district an ad- $700 a year, meaning that a total of $2000 will be paid for premiums, the trustees were told.

Carrier is Lloyd's of London, since US insurance companies will not increase coverage due to heavier liabilities payments being awarded by juries David Ingram, the district's insurance agent, told the board.

The district now has a maximum liability coverage of $1,000,000. Previously, it was covered to the extent of $500,000.

The pupil accident insurance will be carried by the Washington National insurance company Alfred E. Mayer, representing that firm, told the trustees.

PUPIL INSURANCE

The insurance company provides all literature and forms. The district merely recommends that the insurance be carried, distributes applications and collects the money.

The insurance covers pupils from the time they leave home until they arrive home; also, the coverage is extended to any school operated activity, provided the pupils are accompanied by school personnel, such as field trips, open house programs, etc.

The insurance becomes operative only after 75 per cent of the district's pupils are covered, and is, in effect, a "group policy," the trustees were told.

It was tried out in Redwood City last year, and was termed successful there.

In other actions, the school board:

Though expressing "no enthusiasm," asked Superintendent Mel Homfeld to investigate and report before replying to an invitation by the Menlo Park Chamber of Commerce, calling for participation in a "Business—Education Day" event Nov. 20.

The district's quarterly budget report was adopted.

Sanitary District Calls for Easement, Treatment Figures

Menlo Park Sanitary District trustees Monday night authorized the opening of negotiations with the Southern Pacific railroad, for an easement for a pipe from the district's Henderson avenue pumping station to Chilco street and Terminal avenue.

The negotiations have been called since a house has been built over a previously-used sewer easement. Trustees took the view that it would be cheaper to work with the railroad than to call for relocation of the house.

The sanitary district board of trustees also called for preparation of new figures on the cost of treating sewage, which may result in a raise of rates for treatment being charged to the North Palo Alto Sanitary District and the Menlo Park Veterans' hospital.

Currently, the district is treating sewage from these two agencies at a rate of $60 for each million gallons.

This, Superintendent Cedric Webster said, may prove low.

GRAND OPENING

Hurry! Big Local G-E
WHO AM I?
TV Contest

EASY...FUN! Just go to
MACKALL'S
and guess who I am.
I am a popular film star and now TV.
Finish the last line of a limerick. Nothing to buy.

You won't see me like this on the new 1954 G-E ULTRA-VISION. No distortion. Ultra sharp . . . ultra clear.

CLUES
- I lost some time and thereby won an academy award.
- I was born in Wales; I am now an American citizen.
- I have dark brown hair —blue eyes; I'm over six feet tall.
- I was cast with Marion Davies and Clark Gable in one of my first American films.
- I have made both English and American films.

WIN
a new 1954 de luxe
GE ULTRA-VISION TV CONSOLE

Contest Limited to Adults 18 Years or Over

Compare G-E Ultra Vision with any other TV. G-E Ultra-Vision with the 21-inch Alumnized Picture Tube is proved by scientific measurement to have twice as much picture contrast as the best of 7 other leading sets tested.

10 BIG FREE PRIZES
1. G-E Ultra-Vision — $504.95 (see illus. 1)
2. G-E Ultra-Vision — $414.95 (see illus. 2)

FAME DEPT. AGAIN

Here is another pat-on-the-back for Menlo Park.

And along with this case we learn something new about our city.

It "has often been called the Shangri-La of northern California."

We learn this from reading "The Prudential Western Scene," house organ of the western offices of Prudential Insurance company, published in Los Angeles.

The current issue of the magazine devotes four pages to Menlo Park and reasons for the company's forthcoming move to new regional offices here.

The city's far-sighted planning comes in for applause in the article, which cites the free municipal parking plazas, recreation facilities and formation of the Linfield Oaks "garden-type" administrative and professional zone, where the new Prudential offices will be located.

To the executives of Prudential we say, "Thanks. We're glad you are looking forward to joining us."

We, too, are looking forward to the move.

KEEP IT UP!

Farsighted planning is one reason Prudential Insurance thinks Menlo Park will be a good place to set up shop.

We agree—but we hope that such planning is not all in the past.

If we are to maintain the atmosphere of pleasant living we now enjoy, there are a number of projects that should be spurred ahead.

First is extension of Willow road to El Camino via an underpass at the Southern Pacific tracks. This is part of the long-term proposals embodied in the city's master plan for streets and highways, currently dragging its feet in city council deliberations.

This important part of the city's street system will do a great deal to alleviate the serious bottleneck of Ravenswood avenue. Let's get it completed before Prudential moves in and adds to the existing traffic confusion.

Other items of planning that must not be overlooked are:

1. Widening of Middlefield road;

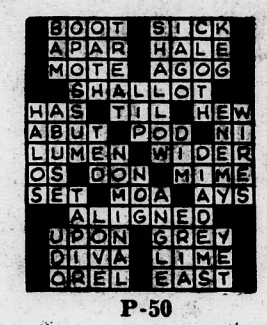

2. Farsighted treatment of the Willow road and Bayshore freeway intersection, and,

3. Action to assure that Prudential Insurance is not the last such desirable firm to make its home in our city.

The latter involves assuring that enough land in Linfield Oaks remains under "garden-office" zoning—or possibly that more of it should be so zoned.

Your City's Business:

Bonds to Be Needed For Parks

By CHARLES P. BURGESS

The city council has been studying the park program proposed by the master plan and the methods of financing it.

The plan recommends the acquisition of three additional parks. The council is agreed that two should be acquired, but is divided as to the third.

No question can exist with respect to acquisition of park sites in North Palo Alto and Belle Haven. These areas are populous and parks are badly needed.

Moreover, the two sites chosen are the only remaining areas where acquisition of sufficient territory for a satisfactory park can be accomplished without paying for and demolishing valuable improvements. This land itself will be subdivided shortly unless we act promptly.

The council members have differing opinions as to the desirability of a park on Oakdell drive as proposed in the plan.

There is a disposition to see if the cooperative program to be worked out with Menlo Park school district on the Hillview, and perhaps later the Oak Knoll, school sites, will provide a satisfactory substitute for a city-owned park.

There is also a feeling that the cost of the Oakdell site would be out of proportion to the benefits derived in that neighborhood.

The city has budgeted this year $5600 for capital outlay to develop park facilities on a portion of the Hillview school grounds in cooperation with the school district.

This type of program makes a lot of sense, avoiding duplication of school and city facilities, both paid for by the same taxpayers.

If this venture is as successful as some of us believe it will be, additional park sites in west Menlo Park may not be necessary, and taxpayers' dollars will be saved.

The council recognizes that additional facilities are needed at Nealon and Burgess parks, and that more than $5600 will be needed at Hillview.

These outlays plus the acquisition and improvement of the Belle Haven and North Palo Alto parks will cost more than we can provide from current revenues for a number of years, and the site acquisition, at least, is an immediate necessity.

A bond issue appears to be the answer.

The city government has gone sparingly on general obligation bond issues. The only one put up to the people in my 11½ years on the council was the Dibble purchase issue (civic center and Burgess park) in 1948.

It required a 15 cent per $100 tax rate in the first year, but it is down to 3 cents this year.

Until our studies give us a better idea of costs than we now have, an estimate of the tax rate necessary to service such an issue cannot be presented.

However, I am confident that it would not exceed 10 cents.

Wickett Named To 'Crusade' Post

John Wickett, Atherton real estate broker, has been named south county vice chairman of the advance gifts division of the San Mateo county United Crusade, according to William B. Tyler of Atherton, who is the advance gifts chairman for the county as a whole.

Area captains are in the process of being selected.

"Very well, if you think my mother's so biased, suppose you ask your own mother-in-law!"

Menlo Building Barometer

Ten building permits, authorizing a total of $52,600 worth of construction, were issues by the City of Menlo Park during the week ended Sept. 14. They included:

APARTMENTS

T. H. Wilson, owner; D. J. Kazakes, builder; 6 units, 727 Menlo avenue; $32,000.

OTHER PERMITS

Robert Swartz, owner and builder; residence alteration at 1263 San Mateo drive; $400.

G. W. Holmes, owner and builder; tool shed at 507 Hetch Hetchy way; $500.

K. L. Brown, owner; G. S. Termite control; termite repair at 1990 Santa Cruz avenue; $1000.

W. Troetschler, owner and builder; utility room at 419 O'Keefe street; $1000.

S. G. Rothermel, owner and builder; tool house at 775 Coleman avenue; $500.

Lightbody, owner; R. F. Gilberg; roof alteration at 1021 Chestnut street; $200.

James L. Roach, owner and builder; new bedroom at 920 Cloud avenue; $1500.

C. T. Lindsay, owner and builder; car part at Homewood place, Linfield Oaks. $12,000.

S. Leslie Hays, owner; Breu and Sigal, builder; enlarge kitchen at 7 Roberts Drive; $3500.

Walter:

EYES CRUSADE

"What do you think," we asked Walter the weather-mouse," of the latest feminine style in haircuts? We were thinking of going on a crusade in behalf of a return of the shingle bob."

"Haven't ever given it a moment's thought," said our correspondent. "Fortunately, we mice have never been eligible to have such problems.

"It's easier to tell, though, if little girls' ears are clean, nowadays, than it used to be."

Sequoia Hospital Reports on Month

A total of 66 Menlo Park residents were among the 739 persons to be admitted to Sequoia hospital last month, it was revealed last week in the monthly statistical report from the facility.

Of the 739 new admissions, 149 were delayed on admission and 62 received treatment in hallways.

The hospital was the scene of 139 births and 14 deaths during the month. There were 153 major operations performed.

Nine residents of Atherton were also admitted at the facility.

10 Battery D Members Qualify As Marksmen

Ten members of Battery D, 149th AA artillery battalion, Menlo Park's national guard unit, Sunday qualified on various levels of marksmanship in 30-caliber carbine practice at Fort Barry, Marin county.

Members of the local battery who qualified as experts included Sergeant First Class Joseph W. Lewis and Private First Class William A. Attinger.

Four members of the battery qualified as sharpshooters. These included Private First Class Edmond C. Baume and Privates Edward R. Focht, Richard F. Hartman and James W. Christian.

Successful candidates as marksmen include Lieutenant Vincent Bontempi, Sergeant Lawrence P. Donnelly and Privates Edward S. Jones and Jackie H. Jones.

Twenty-two members of the battery left Menlo Park at 6 a.m. Sept. 13 and journeyed to the Marin county army station. Weather was described as "perfect for shooting, but hot," by Master Sergeant Waldo Waelty, battery maintenance man.

The men enjoyed a hot meal, cooked over battery field equipment by Corporal Harry Carskadon and, after the firing practice, returned to Menlo Park, arriving here at 6 p.m.

Captain William R. Nichols was officer in charge.

Battery D headquarters at Burgess park gym, and holds regular drills there each Monday beginning at 8 p.m.

The unit needs more recruits, Waelty reminds residents, and full information may be had by those who wish to visit the battery during drill.

City Sets Civil Service Exams

Examinations for positions, under city civil service, for a police patrolman, a police clerk (female) and a water department serviceman, have been announced by the City of Menlo Park.

Closing date for filing to take the tests in the various categories is Oct. 16. All applicants must be US citizens, and police patrolman applicants must be under 35 years of age.

Application blanks and further information are available at the city hall, civic center.

Scout Units Over '40 Per Cent' Goal

Three Menlo Park Scout units have exceeded the national Boy Scout Goal of having 40 per cent of the membership of each troop or explorer post, of first class Scout rank or better, it was announced this week from county headquarters in San Mateo.

The national goal calls for having all units achieving the "40 per cent status by next February.

The local troops which have already exceeded it, in spite of the constant heavy enrollments of new Scouts, are Troop 107, sponsored by American Legion post 443 and led by Scoutmaster Floyd Beach; Troop 108, sponsored by Church of the Nativity and led by Scoutmaster John W. Spiker and Explorer Post 166, sponsored by Holy Trinity Episcopal church and led by Adviser Jack Gordon.

For Shrine Confab

Phil Bodley and his wife, Grace, are aboard the special Islam Shrine train which departed Sunday for the Minneapolis Shrine convention Sept. 188-19. Phil will play clarinet in the band.

The Bodleys live at 732 Laurel avenue, Menlo Park. Mrs. Bodley, in business in Palo Alto, is going along with her husband. She says it is a well-earned vacation trip.

The special train will make many stops such as Portland, Klamath Falls, Denver, Salt Lake City.

Mr. and Mrs. Joseph Cummins welcomed into their household last week a baby boy, born Sept. 9.

FATHER-DAUGHTER EVENT PLANNERS CONFER

COMPLETING PLANS for this year's "Father and Daughter Night" Oct. 1 at Burgess park gym with Al Giannotti, general chairman (center) are (left to right) George Rodriquez, entertainment chairman; Walt Steward, construction co-chairman; Everett Fallis, MP Lions club president; Giannotti; Lew Sayler, construction co-chairman; Don Smith, entertainment committeeman and L. L. Johnston, ticket sales.
—Photo by Maxine Giannotti

It's October 1:

MP Lions Club Names Theme, Date for Its Father-Daughter Dinner, Fashion Show

Plans for the "Fathers' and Daughters Night" event to be sponsored by the Menlo Park Lions club and to feature dinner, a variety show and a fashion show are being completed, it was announced this week by the Menlo Park Lions club sponsors of the event.

Date for the affair, to be held at Burgess park gym, has been set for Oct. 1. Motif will be a

ers whose working schedule is such that they may not be able to attend the dinner should bring their daughters to the other two events, which will be held later in the evening.

"We are in hopes that the affair will be attended by all the fathers and daughters in the area, or at least by as many as can be accommodated in the gym," the chairman concluded.

long the lines of a "night club."

The event is the descendant of the "Girls' Day" event formerly sponsored by the Lions. All fathers are invited to bring their daughters or, if they do not have daughters of their own, to "adopt" someone else's for the evening.

Dinner tickets must be purchased in advance, and may now be obtained either from L. L. Johnston at the Menlo Park branch of the Bank of America or from Fred Walker at the First National Bank.

Mothers are invited to attend the variety and fashion shows.

Al Giannotti, chairman of the affair, explains that no tickets are needed for the latter two events.

SOMETHING SPECIAL

All will be "something special," he added, with an excellent dinner in the offing, a variety show never duplicated here and a fashion show in which every Menlo Park women's aparel shop will display their finest finery.

George Rodriguez is entertainment chairman; Herb Wayne is in charge of the fashion event.

Too, Giannotti point out, fath-

Court Revokes Driver's License

Marshall Vera Soria, 1055 Evelyn street, had his driver's license revoked recently as the result of a "repeat" conviction for drunken driving, it was announced by the state department of motor vehicles this week.

In reviewing recent court actions, the department also listed Edward Lawton Martin, 75 Mosswood drive, Atherton, as having his driver's license suspended.

Perennial Donor Carl M. Day Heads Area Visitors at San Mateo County Blood Bank

The name of Carl M. Day of 208 Willow road, Menlo Park's champion blood donor, this week again heads the list of recent callers from this area to visit the San Mateo county blood bank.

A total of 66 donors are listed in the most recent release by the blood bank. Making their tenth donations were Peter P. Bolich, Kenneth W. Palmer and Mrs. George Doyle.

The "Gallon Club" got a new recruit with the donation of an eighth pint of blood by Dr. Jackson Flanders of 365 Hermosa way; Frank B. Taylor got into position for joining the "Gallon clubbers" by donating his seventh pint of blood.

Fifth donations were made by Alexander L. Jett, Milly Fassler, Mrs. Robert Brinkman, Donald L. Lewis, Francis A. Welsh, John F. Hoffman, Robert W. Brooks.

Other donors included:

Fourth donation: Mrs. Ralph Ebner, Mrs. Richard Bridges, Mrs. John Burton, Mrs. Ralph W. Brown, Allan M. Hull, Mr. and Mrs. Philip Dybdal.

Third donation: Dr. Marvin Chodorow, John R. Duttweiler, Frank J. Roach, Mrs. E. A. Raventos, Marvin L. LaRose, Laverne J. Erickson, Daniel O'Connell, Frank J. Carter.

Second donation: Donald J. Williams, Howard Schonberger, Robert R. Angwin, Floyd Foreman, Harold R. Rowe, Mrs. Albert Hammerman, Mrs. Robert Noll, James A. Driscoll, Oscar R. Fleming, Norma M. Nunes, Mrs. David Brecker, Ewald A. Werner, George A. Mulcahy, Earl M. Chase, Morris Waxman, Mrs. Henry D. Wagner.

First donation: Mrs. A. Covey, Mrs. Pearl Reed, Kennedy Wilson, John F. Burns, William Davis, Walter T. Ledbetter, Neal F. Hess, Philip S. Carter, Margaret Gagen, Mrs. Oscar R. Fleming, Mrs. R. Edds, David Brecker, Thomas Kiernan, Herbert Hobelman.

Emily M. Bishop, M. Edwin Hill, Robert K. Clancy, Shelton Ledwell, Theodore L. Nason, Carlo P. Besio, Richard L. Allphin, Fred Barnes.

Sign Standard Knock Down Here

Two minor accidents occurred on El Camino Real Monday afternoon, but no persons were injured and the cars involved were driven away. Only casualty was a "bus stop" sign at the highway's intersection with Middle avenue.

The sign became a casualty at 2:10 p.m. when an auto driven by Josephine Calon, 75, of Palo Alto, struck it as the woman attempted a turn from the highway's northbound lanes. Mrs. Calon's auto collided with a car driven by Clarence E. Lobb, 34, of Mill Valley, and hit the sign while out of control, police say.

The second mishap occurred at 5:27 p.m. at Valparaiso avenue when Carl H. O. Hemm, 43, attempted a left turn and became involved with a car driven by Maria Tomei, 49, of Redwood City.

Ticket Sale Date Set as Preliminary To Fireman's Ball

Letters and tickets to the 15th annual Fireman's ball, to be held OOct. 17 at Burgess park gym, are to be mailed to Menlo Park Fire District residents about the first of October, Publicity Committeeman Russell Villalba said this week.

In addition, in a preliminary move, off-duty firemen will canvass business districts within the fire district area, to provide ducats to the largest possible number of residents.

Theme of the dance has also been set: "Hawaiian." The decorations will carry out this motif, Villalba said, but it will not be a costume affair.

The dance is scheduled to last from 9 p.m. to 1 a.m., with residents of the fire district dancing to music provided by Phil Bovero's orchestra.

All proceeds of the dance are to be used for the benefit of the district Firemen's association's Widows and Orphans fund; contributions from all residents, whether they plan to attend the dance or not, will be gratefully acknowledged.

Besides being made available through the mail, Villalba points out, dance ducats will be available at all fire stations in the district and at the door of the gym the night of the dance.

Fireman Les Coon is general chairman in charge of the affair. Fire District Chief Thomas F. Cuff and Fire Commissioners Malcolm Paterson, Joseph T. Hanna and C. Vernon Barker have been named members of an honorary committee sponsoring the affair.

Ingram Named for State Position

David Ingram Jr. of 1040 Almanor avenue this week was nominated by the Menlo-Atherton Board of Realtors to be an honorary life director of the California Real Estate Association.

The nomination was moved by Floyd Lowe, who explained that the honor can be given to no more than five California realtors in any one year.

Schools Get:

HEAVY LOAD

Menlo Park Elementary School District, like almost every other school agency in the area, got a surprise Monday morning when the first accurate count of pupils in classes in the school district was made.

There were 2010 pupils in attendance, about 70 more, according to Superintendent Mel Homfeld, than were anticipated before school opened Sept. 10.

The new pupils are pretty well scattered, Homfeld said, and it is not expected that new classes will have to be added to accommodate them. There are 68 classroom teachers, so each has a class with a size averaging 29.5 pupils.

Planners Okay Rezoning Move

Menlo Park city planners this week gave their approval to rezoning of a portion of a previously commercial lot at the corner of Santa Margarita avenue and Middlefield road, to allow it to be used for residential purposes.

The request for the "dezoning" —a complete reversal of the usual pattern of such requests—was made by Ben Cottell, 25 Middlefield road. He wanted the rear portion of the corner lot rezoned, he said, so he could move an existing dwelling from the front portion of the lot onto it. This would allow development of the Middlefield road frontage.

He submitted signatures of neighbors to support his contention that there were no protests against the proposal.

There were other minor actions undertaken by the commission Monday night:

A request by Joseph Dal Pogetto, 737 Fremont street, for a variance and resubdivision of lots 18 and 19, Fremont acres, was set for hearing Oct. 5.

A tentative map submitted by Harry L. Hicks, showing resubdivision of four lots facing Kent place in Linfield Oaks to make them uniform in size, was okayed. Hicks explained that the uniformity will allow him to put a maximum number of gardena apartments, with swimming pools, on each lot. The action took the form of a recommendation to the city council.

New History Course At Night School

A course in "American History and Government will be offered by the Menlo-Atherton adult evening high school, beginning this evening, it was announced this week by Willard Bradley, principal of the facility.

The course, to stress political, intellectual and social trends rather than dates, according to Bradley. Persons wishing further information should contact Bradley at Menlo-Atherton high school, DA 3-4145.

City Library . . .

(Continued from Page 1)

should be used in the proposed new library building, and supplemented as needed.

"14. San Mateo county bookmobile service to outlying areas should be continued, gradually increased, and constantly studied.

"15. Facilities and services made available to the people of Menlo Park by the proposed jointly-operated municipal-county branch library should be publicized.

"16. Donations and bequests for equipment for the proposed new library building should be encouraged.

"17. The present prospect of the formation of a Menlo Park "Friends of the Library" group should be encouraged . . .

"18. Consideration should be given by the proposed board of library trustees of the municipal library to obvious local library deficiencies in pamphlets, documents, maps, pictures, music, recordings, and films.

"19. The proposed board of trustees of the municipal library should study further the administration and economy of the working relationship between the county library and local schools."

GROUP'S PURPOSE

Purpose of the committees, which was formed after criticism that present library facilities are inadequate has been to submit recommendations for an integrated plan for the development and financing of better library facilities.

In telling details of the proposed basic library building, the report points out that the "basic building" should have not less than 4000 square feet, which would cost an estimated $40,000.

Private financing of the structure, the report explains, can be had on a 20-year basis, with payments of $263.96 per month, or less. Considering that $97.20 of this would go toward increasing the city's equity in the building at first, and during later years become greater, cost to the city would be only $166 per month.

A rental of $150 a month is currently being charged for the present library.

Also cited as important, in the report, is the addition of a "children's librarian", in the new facility.

Jack Peak, chairman of the working committee which drew up the report, explains that if and when the city builds a new library, the county library will have its funds released, in efect, for more facilities and help.

Members of the library committee were selected from among Menlo Par's organizations and include Lloyd L. Apgar, Mrs. C. A. Bartells, George F. Cleese Jr., Mrs. R. H. DaValle, Mrs. L. M. Greenleaf, Edwin A. Gross, Mrs. K. S. Hankland, Mrs. Harold Johnson, Mrs. H. V. Johnston, Dewitt M. Kelly, O. H. Olson, Peak, Mrs. Karl Peterson, Mrs. Avis M. Rapp, Mrs. R. M. Rogaway, Mrs. John Umland, Frank H. Wang, F. C. Youngblut and Mrs. John Gardiner.

Football Season!

Menlo-Atherton Bears Open Practice

Contact work is in store for Coach Howard Costello's Menlo-Atherton high school varsity football team today and tomorrow. The Bears' initial scrimmage will be held off until next week, however.

A comparatively small, but hustling group of gridders reported to Costello and line coach Don Dorfmeier on Monday after drawing equipment last Wednesday. The Bears spent Monday and Tuesday running through limbering up and conditioning drills while learning their basic offensive assignments.

The latter part of Tuesday's drill was spent with a dummy scrimmage and indications were that much time the rest of the week would be spent on blocking and tackling drills.

Costello said after Tuesday's workout that he believed the "blister siege" was over and his charges would be able to proceed to heavier drills and contact work today. A good deal of yesterday's practice was used as a "picture day" for the concern that it putting out programs for the Bears' home games this season.

Tom Blackwood, a transfer quarterback from Mt. View, joined the club Tuesday. A left-handed passer, Blackwood was a wingback in a modified T at Mt. View but apparently is going to pick up the T quarterbacking duties in short order. Should M-A go into a double wing offense at any time this season as it has done in the past, Blackwood would doubtless be a valuable tailback.

Left-halfback Phil Knight, a 155-pound senior, showed great improvement over last season and seemed to have the early edge at that spot. Pete Welch, a converted fullback up from the frosh-sophs, and Dohn Bogue, who played right half on the frosh-sophs last year, were also high in the running.

Last year's leading gainer, Allan Feinstien, and Troy Ratliff, a junior with a year of varsity experience, along with senior Bruce McAllister were the top fullback contenders. At right-half veteran Jim (umbo) Cabaniss, Bob Brewer and junior Wally Baker led in the opening drills.

Dan Varty, who shared the Bear quarterbacking duties in 1952, Blackwood and Dennis Anderson were the top field general contenders.

In the line, ends Jerry Demma and Jim Jervis, tackles John Raventos and Dave Baxter, Guards Glenn Day and Bim Beckman and Center Earl Johnson impresed in the dummy scrimmage.

MAHS Frosh-Sophs To Open Drills

Frank Bettencourt's Menlo-Atherton high school frosh-soph football team will open drills Monday in preparation for the Bruins' season opener on Oct. 8th. Equipment will be issued to the underclassmen candidates tomorrow.

Last year's M-A frosh-soph team came within one-half game of winning the Peninsula Athletic League championship, posting a 6-1-1 record and finishing second behind Palo Alto. There will be no starters returning from that group, however.

This year's schedule:

Oct. 8—Burlingame at Sequoia; Oct. 15—Sequoia there (night); Oct. 22—San Mateo there; Oct. 29—Palo Alto there; Nov. 5—Jordan junior high (tentative); Nov. 12—South San Francisco there; Nov. 19—Jefferson at Sequoia (place subject to change); Nov. 25—Carlmont there.

All except the projected Jordan game are PAL contests. The Bears bypass just one team—Capuchino.

PLEDGED TO FRAT

James L. Murray, 505 Olive street, is among 278 men recently pledged to fraternities at Kansas State college, it was announced this week. Murray was pledged Beta Theta Pi.

The average depth of the Gulf of California is 2667 feet.

MP Softball 'Decider' Tonite at Nealon

The Menlo Park recreation softball league's 1953 championship will be decided this evening at Nealon park when Signature homes and J & A sales, winners of the respective halves, tangle.

Game time for the fray, which will see some of the best of the local softball talent in action, is set for 8:15 p.m.

Both Redwood City teams, Signature swept through the first half with a clean slate of six wins, besting J & A by a 7-1 count in the final game to decide the title, while J & A posted three wins in as many starts to take the second half. Signature did not enter in the second half.

The clubs also were involved in several tight games in the Redwood City league and in other tilts and tonight's contest should cap the season perfectly.

OUT FOR PIGSKIN

HIGHLY RATED transfer from Menlo Junior College is Merle Flattley, making a strong bid for a starting job at end for San Jose State. Flattley was "player of the year" in the PAL, while at Palo Alto high school.

Leo Nomellini To Speak Here

Leo Nomellini, San Francisco '49er defensive guard and off-season professional wrestler, will be featured guest before the Tumblebugs Jr. Hi-Y group of Hillview school when that group holds its regular meeting Tuesday, Sept. 22.

The boys will meet at the multi-purpose room of the school at 7 p.m. Parents and friends are invited to join the members, Bruce Gould, group leader, said this week.

Any boys wishing to form a new Jr. Hi-Y club are also welcome, Gould said.

Jr. Hi-Y activities are designed for youths of seventh and eighth grade age. The program includes participation in sports and trips to games in the area, business meetings and outdoor activities.

Lightweight Hoop Five Nears Opener; Team Loses Stars

The season opener for Men Atherton high school's lightweig basketball teams is just eight da away and Coach Bob Ayers w undoubtedly speed up the ten of workouts in anticipation.

M-A's C and D teams vie w Fremont at Sunnyvale in a pr tice game on Sept. 25. Two mo practice tilts will be played in t next week and one-half before t Bruins open their league sched against Lincoln on October 8th.

Ayers' C's received a jolt whe it was learned that neither Pe insula Athletic League recor setter Mario Generelli nor class guard Roger Clark will be ab to compete.

Clark will have to play Class ball while Generelli, because an age limit on the B's, will be stricted to varsity competition.

Indications are that the wei ins may make even further cha es in the rosters of both clubs. T loss of Generelli and Clark has ready removed the title of " team to beat" from the C's, thou they could still surprise.

The tallest specimens of p derosa pine reach a height of feet.

Watercolor Show At Library Depicts MP Scenes

By J. SAVAGE WILDMAN

Thirteen watercolors of famous Peninsula estates are now on exhibit at the Menlo Park branch of the San Mateo county free library, 781 Menlo avenue, Menlo Park.

The paintings were done by Valen Wolf, who now resides in Woodside, during the depression as part of the Public Works Administration's program to gainfully employ creative people. Wolf's primary interest was the buildings themselves, painting the landscaped grounds only as a setting for the impressive structures.

The paintings are rather tranquil pieces, completely lacking any dynamics in the handling of composition, color, or values. Thus they carry the peaceful feeling of the way of life found at these mansions in the horse-and-buggy days. Being paintings of low contrast, they are completely lacking in any aerial perspective. The illusion of depth is attained only by the use of linear perspective.

The paint has been applied, generally, in areas of varying sizes with carefull ycontrolled edges. Only within these areas are colors allowed to freely blend without the rigid control of the artist.

Perhaps the best known subject of the group is "Linden Towers", the Atherton estate of the James D. Flood. The painting was made from a picture, because the structure had been torn down. Yet the painting preserves the ornate "wedding cake" feeling of the original structure.

LANDMARK

Another well known landmark, one which is still standing, is the "Hooper Adobe" in Portola.

In this painting the foliage is handled in some areas by painting a series of small dots of color, duplicating the leaf-like pattern. In other areas, the foliage has been handled in large areas of glass.

Other paintings include paintings of the Fleishhacker Mansion in Atherton, the Barrott Home, the Hohl Estate, the home of August Shilling, two paintings of the Kohl Estate in Burlingame, the H. W. Crocker Estate in Hillsborough, the Carolands of Hillsborough and two paintings of the Hills estate in Millbrae.

Bookmobile Call Schedule Revised

The San Mateo county library this week called attention to a revision of the schedule of stops to be made by the "Bookmobile" in the Menlo Park-East Palo Alto area.

Since inauguration of Bookmobile service the traveling branch library has circulated a total of 13,679 books, to 2137 borrowers, Assistant County Librarian Miss Virginia Ross said this week. Greatest following has been gained among children, who have borrowed 15,593 volumes since the facility began making tours last March.

"The 'Bookmobile' has also been tremendously popular with adult borrowers who have taken advantage of its services to borrow foreign language and technical books from the state library, as well as drawing on the county library's stocks," Miss Ross continued.

The new schedule:

Starting Sept. 15, every other Tuesday: Las Lomitas school, 9 a.m. to 1 p.m.; Ladera, 1:45 p.m. to 3:45 p.m.; Alameda de las Pulgas and Avy avenue, 4 p.m. to 4:30 p.m.

Starting Sept. 11, every other Friday: Belle Haven school, 9:30 a.m. to 2:30 p.m.; University Village, 2:45 p.m. to 4:15 p.m.

Starting Tuesday, Sept. 22 and every other Tuesday: Sixth avenue and Middlefield road, 1 p.m. to 2:15 p.m.; Palo Alto Gardens, 2:30 p.m. to 4:30 p.m.

Friday, Sept. 18 and every other Friday thereafter: Willow school, 9:30 a.m. to 2:30 p.m.; Suburban Park, 2:45 p.m. to 4:15 p.m.

Players' Guild Gets Ticket Sale Underway

Menlo Players' Guild this week announced opening of their annual opening of their annual season ticket sales drive, as the group's 14th year of dramatics production activity got underway.

Mrs. Virginia Cary has been appointed chairman for the drive. Assisting her will be committee members Kay Barker, Margaret Apgar, Gladys Spitzer, Nora Weissman, Junius Cary and Sidney Powell.

Season ducats may be reserved, Mrs. Cary points out, by calling DA 2-6793, or they may be purchased at the door of Burgess park Little theater on the nights of performances. First play of the coming season will be "The Admirable Crichton" to be presented Oct. 16, 17, 23 and 24.

A total of three plays will be given during the coming season.

"Merchants of Menlo Park and the Atherton area have for several years acted as sponsors for the Menlo Players' Guild by purchasing a pair of season tickets, in exchange for which they are listed on the program cover, Mrs. Cary explained.

The board of directors of the Menlo Park Chamber of Commerce has given its approval to the canvass of merchants.

AT REGATTA

Three members of Explorer Scout post 166 of Menlo Park, led by Adviser Jock Gordon, recently participated in a Seat Scout regatta at Treasure Island.

Down to Earth:

'Going to Seed' Doesn't Necessarily Mean Beauty Can't Be Found in Plants at Home

A garden "going to seed" in the fall is often not as unattractive as it sounds.

Some seed heads, like the annual clematis and honesty are as handsome as the flowers that precede them. Many seed cases have a beauty of their own, though they don't generally attract attention by brilliant coloring. Flower arrangers have already discovered their value for off-season bouquets in the home.

There is abundant material in the open fields, thistles and wheat, cat-tails in the swamps, and the pampas grass plumes.

There are also "everlastings", worthwhile growing in the garden than can be harvested now: Helichrysum, Acrolinium, Chinese lantern plant, cockscomb.

They should be picked when the flowers show good color.

The foliage should be removed and the plants hung upside down in a dry closet. The stems should be bent before drying and held that way with wire, if a graceful bouquet is desired.

LOOKING AHEAD

This is a fine time to be collecting cones, nuts and seeds for fall and Christmas decoration.

The eucalyptus sends down many bells, singly and in clusters, the redwoods large and small cones, the wilows and birches catkins, and the magnolia leaf is famous for its lasting qualities.

The new spray-on type paint in special cans is excellent for coloring dried material. It covers better with less paint, and there is no danger of breaking any brittle pieces.

It is fun to harvest the gourds and squaw corn we planted last spring.

A gourd is ripe when its surface is hard and the stem looks shrunken. Leave a little stem when you cut them.

They should be washed in a lime sulfur solution, 3 teaspoons to a quart of water. You can then apply a coat of ordinary floor wax with a wad of cotton, and polish it when dry. A high gloss finish is obtained by using white shellac.

Squaw corn should have a coat of shellac as soon as it is picked.

Another fall sight are the galls found scattered among fallen oak leaves like little brown golf balls. Most of these galls are the result of a gall wasp puncturing the leaves or stem of the oak tree and laying its eggs in the lesion.

The egg then hatches into a larva which lives within the gall, feeding on the plant.

The actual process of gall formation is not clearly understood. The stimulus for the growth of the gall may be due to the action of a virus deposited by the female insect along with the egg; or the swelling of plant tissues could be caused by the larva as it feeds.

Though the galls may be unsightly, they seldom hurt the growth of trees.

There is another gall caused by a fungus which may attack cedars and spruce trees.

GARDEN CALENDAR
WEEK OF SEPT. 17

Try to do a little "sit down" gardening this month.

This is done with a pencil and scale drawing of your lot. Decide where to plant your bulbs, perennials you will soon divide, winter seeds and plants offered now, and the shrubs you intend to buy or replace.

Next month you will be too busy planting and digging before the rains come to have time to plan.

* * * *

Order spring flowering bulbs for prompt delivery and planting this fall.

* * * *

You can run a summer salvage operation by taking cuttings from geraniums, coleus, ivy, begonias, margueritte.

The cuttings should root in a month and form small plants that will flower in early spring. The cutting should be 3-6 inches of the tip growth that is still grene-stemmed.

Make a slanting cut below a leaf, remove the lower leaves and insert in sand,

* * * *

If you have a spare hour and fifty cents you can keep ants from entering your house for six months.

Use 8 tablespoons of 44% chlordance per gallon of water and thoroughly spray the foundation of your house. (4 gallons should do it).

It wil not stain, but leaves a residue effective for six months.

* * * *

A gopher is quite willing to eat anything in the garden except daffodil bulbs (too bitter).

The best way to catch him is to trade on his greedings and feed him a poisoned carrot. Cut a carrot into 1½ inch pieces, partially open the carrot lengthwise, and with a toothpick force a little strychnine into the crack.

Force this into the gopher hole and cover lightly with soil.

Area Cub Scouts Receive New Webelos Rank

While Boy Scouts and Explorers have been earning merit badges and advancements in the ranks at summer camp, at the Jamboree, and on Troop overnight and long-term camping trips, their younger brothers in the Cub packs have also been working on service projects, taking interesting field trips, and advancing to the day when they will have earned the coveted Webelos, indicating that they are ready for the Boy Scout program at eleven years.

Those who attained this status in the spring and summer months and include the following area boys, some of whom have already been registered in Scout units:

Pack 4: Hans W. Hartman, Mark Miller, Howard Sleeper; Pack 33: Robert W. Jones, James D. Stollary; Pack 39: Ronnie Angelo, Jon Bangston, John Carstarphen, Hugh Christenson, John Curtis, Dennis Golobic, John J. Curti, Robert J. McCarthy, and Ronald E. Paldi and Ronald Bird.

Pack 59, Woodside: Paul R. Jordan, Donald C. Lanstrop, Kerry Marshall, Robert Wein, John J. Reese, Raly Schilling, Robert Sorich.

Pack 63, Menlo Park: Kenneth Ackles, Jr., Jay Kimball, David Means, John Olsen, William Swift; Pack 66: Jeff Buckingham ,Michael Cottrell, John Erving, Larry Gates, Clark Gant, Bob Hehrlein, Jay Laumeister.

Pack 91, East Palo Alto: Richard Kofahl, Robert Morss; Pack 200, Menlo Park: Darrell Martin, Christopher Schock, Jeffrey Walston, and Warren Wulzen.

Presbyterian Youth Set a Fine Example

One of the friendliest and most active church groups in the area is the Menlo Park Presbyterian. And just to prove it, the sophomores gave a huge welcoming party for the incoming freshmen.

Under the guiding hand of the planning committee, composed of **David Hall, Jaque Cook, Roger Barr, Cris Cochran, John Wild,** and **Judy Patterson**, the group left the church at noon, and went to Santa Cruz, where they stayed on the beach and boardwalk, and had a hot dog roast.

It's things like this that promote friendship between the classes.

Willow Road Being Rebuilt by State

State highway department crews are currently reconstructing pavement on Wilow road, eastward from Bayshore highway to the Southern Pacific Dumbarton cutoff right of way.

The reconstruction does not include any widening of the 46-foot pavement, according to City Manager C. L. Longson. Apparently the current width is felt to be wide enough, in view of the two lane width of Dumbarton bridge.

Assembly of God Asks Opinion On Future Building

Plans for an early expansion of the Menlo Park Assembly of God church, Oak Grove avenue and Mills street, were indicated Monday night with submission of plans for a new two-story, 20-by-40-foot Sunday school structure before the city planning commission.

The Rev. D. Edward Park, pastor of the church, explained that the building was necessary since the Assembly's Sunday school has expanded to include about 120 persons—three times as many, he said, as when he became pastor of the local church in 1948.

Official submission of the plans is yet to be made.

However, Reverend Park said, the project hinges on other proposed future building projects and whether enough offstreet parking will remain on the Assembly's 100-by-177 foot plot.

He said it was his feeling that less parking was necessary at his church than at most, since the Assembly of God operates two school buses.

Two small Sunday school rooms facing Mills street will be torn down if and when the new building is completed.

Reverend Park said that his church was still interested in Stanford Vilage property disposal, where it may have to seek land if the city will not approve of building plans on the basis of offstreet parking limitations.

Willow Road...

(Continued from Page 1)

merce meeting was not called until after the city had officially reviewed its position, Belangie pointed out.

REASONS GIVEN

He outlined the city's reasons for approving the "diamond" structure as follows:

1. To speed completion of the freeway proect, with indications from the state that the diamond-type interchange could be completed sooner;

2. Belief that the diamond would be adequate to handle smoothly all traffic that could be carried by Willow road in the next 20 years;

3. Necessity of destroying considerably more residential and commercial property to construct the full cloverleaf;

4. The greater cost of acquiring the additional land; and

5. Protests from residents and businessmen in the Willow road area who feared the cloverleaf would greatly increase traffic on Willow.

Longson also declared he believed the diamond structure, with traffic signals to control flow, would be safer than the uncontrolled flow of the cloverleaf, particularly in view of anticipated installation of signals at the Willow road entrance to the Veterans Administration hospital.

The traffic safety committee of the chamber, under chairmanship of H. A. Dunker, Allstate Insurance executive, had submitted a report finding the free traffic flow of the cloverleaf vastly superior from the standpoint of safety to the interrupted flow of the diamond with the necessity of left turns across oncoming traffic.

Belangie suggested the chamber board should approve the report of its committee and submit it to the city, which would endeavor to arrange a joint city-chamber discussion with a member of the highway department.

The action was taken as he suggested.

Rink Project May Be Built in City

An ice skating rink may be in the offing for Menlo Park.

Corey W. Dudley, 873 Partridge avenue, asked informally, Monday night, whether the planning commission would approve such an establishment in the city, at Oak Grove avenue and Derry lane.

The planners took the matter "under advisement," pending receipt of a formal request at their next regular meeting.

As Date Nears:

Committee Workers Promise Full Day of Fun at Holy Trinity Church Fair Sept. 26

Hourly special events beginning with the 1 p.m. grand opening and continuing until the 8 p.m. closing are being planned as features of the Holy Trinity Episcopal church's "Forward in Fellowship" festival Sept. 26.

Enthusiastic committee members, continuing to develop their program, said this week that if all ideas submitted were to be used, it would be necessary to extend the hours of the affair.

As it is, the start of each hour will signal the start of some new specialty in entertainment, with announcement as to the nature of the affair being made over the public address system.

Mrs. Charles Moquin will act as Master of Ceremonies.

Several contests are being planend for younger patrons, committee heads added. There will be prizes for the most beautifully costumed girl, most realistically dressed cowboy, the "cadet hailing from furthest in outer space," a watermelon-eating contest, and others.

Adults will also have their fling. There will be demonstrations of flower arranging, dancing instruction in the samba, rumba and tango and many other events.

Motion pictures for youngsters will be shown every half hour.

Supplementing all this will be a Gayway, and many booths featuring sale of home made foods and handcraft items.

As the day's festivities near their close, a complete turkey dinner wil be served at 7 p.m. after which tables will be cleared away for an exhibition of ballroom dancing. This will be followed by general dancing, in which those attending will join.

OBITUARIES

Mrs. Hill Bell

Funeral services were held Monday in Pasadena for Mrs. Edith Bell, wife of the late Dr. Hill Bell, who was former president of Drake university at Des Moines, Ia., and mother of Mrs. L. W. Lane of Menlo Park.

Mrs. Bell, who is survived by four sons in addition to Mrs. Lane, moved, with her husband, to the southern California city following his retirement 25 years ago.

She was the grandmother of Melvin Lane and L. W. Lane, Jr. of this city, in addition to six other grandchildren, and is also survived by several great-grandchildren.

L. W. Lane Sr., publisher of Sunset magazine here, his wife and two sons journeyed to southern California for funeral services, which were conducted from the Chapel of the Chimes in Inglewood park cemetery, Inglewood, Calif.

Agnes M. Smith

Mrs. Agnes M. Smith, a resident of Menlo Park for the past 30 years, was buried after private funeral services Friday. She died Sept. 9 at a Palo Alto rest home.

Mrs. Smith, who was the widow of the late John A. Smith, made her final home at 157 Glenwood avenue.

She was the mother of Mrs. Redmond Cochran of Atherton, Mrs. Herbert Ross Hein, Jr., of Virginia and Clair C. Smith of Canada.

In addition to these, she is survived by a sister, Mrs. D. L. Young of Pennsylvania and a brother, Bruce Tinker of the same state. She is also survived by eight grandchildren, including Christine and Craig Cochran of Atherton.

The Rev. Don Emerson Hall of Menlo Park Presbyterian church officiated at the services, which were conducted from the Tinney funeral home in Palo Alto. Interment was at Alta Mesa Memorial park.

2 MP Men in CAP Weekend Test

First Lieutenant Wayne Rossiter and Second Lieutenant Mac Hollen of Menlo Park were among officers to participate in the Civil Air Patrol's annual two-day practice mission last weekend at Stockton airport.

The CAP, a volunteer auxiliary of the United States air force, is annually observed to determine its efficiency in conducting search and rescue missions.

Problem this year was to find a "lost plane" which had supposedly disappeared. A total of 40 units participated in the search. That to which Rossiter and Hollen belong headquarters at Palo Alto airport.

DRUNKEN DRIVER

Harold Garbarino, 46, 2250 Ralmar street, East Palo Alto, was arested early yesterday by Menlo Park police, on charges of drunken driving. He found operating a southbound car in Middlefield road at 2:55 a.m., police report.

Little House...

(Continued from Page 1)

the $1632 check, he observed that Little House has "some of the finest cooks in the world" who need a kitchen in which to work.

Building Committee Chairman Mrs. Leland Rosener was introduced and in turn introduced Kingsford Jones, architect of the building.

The new building is expected to be completed by the end of January of next year, she said, and read a letter from Walter A. Haas, trustee of the Lucie Stern estate which contributed $15,000 to the building project, stating the worthiness of the effort.

Mrs. Kuechler was then introduced and handed the golden spade with which the ground breaking was officially done.

* * * *

Due to the fact that the lease for the current Little House, at 930 Menlo avenue, expires at the end of this month, Little House's annual bazaar will be held Sept. 28, 29 and 30 at the current address.

At the sale's conclusion, Little House will move to temporary headquarters at 808 Menlo avenue utnil completion of the new building.

NOTICE TO PAY ASSESSMENTS
Orange Avenue

NOTICE IS HEREBY GIVEN that all owners of real property liable to be assessed to pay the costs and expenses of the improvements described in Resolution of Intention No. 7318 adopted by the Board of Supervisors of the County of San Mateo on May 5, 1953, are hereby notified that on September 2, 1953, the assessment and diagram to pay the cost and expenses of said improvements was recorded in my office.
Said assessments are due and payable immediately at my office, Court House, Redwood City, California, and must be paid within the period expiring November 2, 1953.
In the event of the failure to pay before the expiration of said period, serial bonds to represent the unpaid assessments and bear interest at the rate of not to exceed six per cent (6%) per annum will be issued pursuant to the Improvement Act of 1911, the last installment of such bonds shall mature nine (9) years from the second day of January next succeeding the 15th day of October following their date. Said bonds shall be made payable to bearer and provide a premium of five per cent (5%) of the unpaid principal on call.

TO MEET THE PRESS

LIEUTENANT GOVERNOR Goodwin J. Knight, (left) who will "Meet the Press" at a public, non-partisan meeting in San Mateo city hall at 8 p.m. Sept. 23, discusses with Mrs. Rudolph Kutsche of Atherton and state Senator Harry L. Parkman of Woodside, the evaluation of letters he has received from San Mateo county residents. Knight reveals public interest in this area has been noticeably strong on the issues of "schools," "highways" and "the southern crossing." Knight has told the San Mateo County Repblican assembly, sponsors of the special mass-interview, that he will welcome questions from the press on these three issues a well as on other subjects. The "Meet the Press" event is open to the public. No tickets or reservations are needed. Recorder Editor C. A. Burley and Ravenswood Post Editor Phyllis Walker will represent this area at the meeting.

C of C Considers More Directors On Agency Board

Advisability of increasing board membership of the Menlo Park Chamber of Commerce from its present nine members to as many as 15 will be considered by a special committee, it was decided Tuesday morning at the regular monthly directors' meeting.

Possibility of enlarging the board was raised by Chamber Manager Gene Hammond, who pointed to US Chamber surveys indicating average number of directors of a chamber in cities of 10,000 to 25,000 population is 17.

He also suggested that the larger number would make possible a broader representation on the board.

Chamber President Frederick B. Walker indicated he would name a committee to investigate the suggestion within a few days.

At the Tuesday meeting, directors also:

1. Approved purchase of membership decals to be placed in members' windows instead of the former cardboard plaques that were hung inside stores;

2. Decided to encourage formation of neighborhood committees in areas outside of the central business district;

3. Endorsed plans of the Menlo Players Guild to solicit sponsorships from area businessmen, and,

4. Approved plans of the merchants committee to study the city's proposed sign ordinance and recommend modifications.

Merchants committee chairman James R. "Sandy" MacDonald flatly declared that the ordinance as discussed by the planning commission is "too restrictive."

MORGANS HAVE SON

Mr. and Mrs. William Morgan of 2151 Camino de los Robles are the parents of a baby boy born Sept. 8 at Palo Alto hospital.

Jr. C of C Hears Talk On 'Traffic Safety'

Hal A. Dunker, safety director of the Allstate insurance company, Menlo Park branch, was the guest speaker at the bi-monthly business meeting of the Menlo-Atherton Junior Chamber of Commerce Tuesday night.

Dunker presented a strong plea for the necessity for all to recognize the tremendous instrument of destruction the automobile has become. A film entitled, "A Day in Court," portraying the five basic types of traffic offenders and emphasizing the theme, "Courtesy Is Contagious," was shown to the group.

Three new members of the organization were welcomed at the meeting, Bernie Walker of the Menlo Park post office, Ernie Stone of Magnuson and Florence Realty company, and Frank Good of the First National Bank of Menlo Park.

Howard Schonberger was appointed chairman of a committee to collect blankets for the disaster struck people of Greece. McCoy's Furniture store in Menlo Park has been designated as the collection point and all members will participate in a collection drive.

arbara Albertson To Be Wed n October to Jack Wildman

A late October wedding date is ing planned by Barbara Lee Al- rtson of Menlo Park and Jack vage Wildman of Redwood City, o announced their engagement t weekend.

The future Mrs. Wildman, who sides on Noel drive, is the ughter of the late Mrs. Beverly bertson Weiterer of New York d the late Lee Albertson of sadena, former vice president Owens Illinois Glass company, vens Brush company.

Barbara has one sister, Mrs. Clarence A. Burley of Menlo Park and one brother, Lee Albertson.

Jack, son of Mrs. Charles Budwell of Yuma, Arizona, and Glenn A. Wildman, county construction engineer, resides with Mr. and Mrs. Wildman on Fulton street in Redwood City.

The prospective bridegroom has two brothers, Francis M. Wildman, a lieutenant with the United States air force, and Glenn A. Wildman II, 11.

A graduate of Katharine Gibbs school in New York City, Barbara took preparatory studies at Knox school, Cooperstown, New York, and at New Trier school in Illinois.

Before taking her present position as secretary to the manager of the American Trust company in Menlo Park, the future bride worked with the Architectural Forum of Time, Inc., Quick magazine, the Menlo Park Recorder and Sunset magazine.

Barbara is the granddaughter of Mrs. A. Bowman Clark and the late Dr. Clark and the niece of Mrs. Huyler Held of Great Neck, Long Island.

Jack is a graduate of Sequoia high school and San Jose State college, having served with the air force during World War II and part of the Korean conflict. He is a member of the San Francisco chapter, Alpha Delta Sigma, national professional advertising fraternity, National Rifle association, Palo Alto Art club and alumnus of Delta Phi Delta, national art fraternity.

The prospective bridegroom is presently assistant advertising manager of the Menlo Park Recorder.

t. Anthony's Readies Fair

If you're looking for an unopned package from afar . . . or a riday evening pizza . . . or a game here you throw potatoes at sami . . . or a stuffed panda . . . a Roll-O-Plane ride, you'll find l of them and many more things, esides, at St. Anthony's church nnual carnival next Friday hrough Sunday.

The September 25-27 affair will e held on the church grounds, ifth avenue near Middlefield oad.

Joseph Conway, general chairan, notes that the three-day carival, designed to augment the hurch building fund, will be clihaxed Sunday afternoon by a hicken barbeque prepared by Ed Rowdy" Holmquist.

Reservations for the barbeque ay be made with Mrs. Robert lizondo at EM 6-3089 or with the astor, EM 6-8377.

Four Chapter Heads To Attend ORT Region Planning Conference

Mrs. Albert Feldhym, parliamentarian; Mrs. Irwin Cohen, recording secretary; Mrs. Otto Kraus, financial secretary; Mrs. Sidney Weil, treasurer; Mrs. Phil Berson, scholarship and Mrs. David Skootsky, publicity.

Lois Mixter, Dick Bennett Wed Saturday

Escorted by her father, Willard Mixter, Lois Mixter of Atherton walked down the aisle of Stanford Memorial church Saturday to become the bride of Richard Lee Bennett.

Lois was preceded by her two sisters, Carol and Sally and by Dick's 8-year-old sister, Susan.

Carol, who is entering her junior year at the University of California in Berkeley, took the maid of honor role. She was dressed in a frock of apple green organza, tied with a dark green velvet sash, the streamers of which reached to the ballerina hemline.

Sally, who attend Menlo-Atherton high school, and Susan, the latter a junior bridesmaid, wore dresses just like Carol's; all three attendants carried sprays of fall flowers in russet colors.

BRIDAL GOWN

The bride's gown was of full-length nylon net, simply cut, with a yoke and panels of Alencon lace. Lois' fingertip veil was fastened to a cloche trimmed with the same lace, and her bouquet, a spray of white flowers and an orchid, was laid over her white Job's Daughters Bible.

The bridegroom, son of Mr. and Mrs. W. Claude Bennett of Watsonville, had chosen Stanford classmate, William Schaefer of Los Angeles as his best man. Ushers, also classmates, were Donald Bale of Palo Alto, Dan Devor of Beverly Hills and Eugene Color of San Francisco.

RECEIVING LINE

Following the 3:30 rites, guests preceded to the garden of the bride's family home in Atherton. There they were greeted by Mrs. Mixter, dressed in a navy taffeta street length frock, and Mrs. Bennett, who had donned rose lace.

Goodbyes were exchanged when the newlyweds left for their trip to Pensacola, Florida, where Dick will report on October 1 for naval air flight training school.

Both Lois and Dick received their bachelor degrees from Stanford in June of 1952.

With International Accent

St. Joseph's Play Day Is Sunday's Headliner

This Sunday, the fathers and mothers of St. Joseph's school in Menlo Park are extending a cordial invitation to everyone to come to their annual Play Day on school grounds. Theme of the affair for 1953 is international, with every booth, concession, game and costume bearing it out.

Everything, from a haywagon to a Spanish barbeque, has been planned with an eye toward making this the best Play Day yet. Those who want to taste "Rowdy" Holmquist's expert barbequing may make their reservations with Mrs. Joseph Miller, DA 3-7806.

See you there!

INTERNATIONAL-MINDED are the threesome above, (left to right) Skippy Valdes and Sambo, the cat; Douglas Wreden and Fritz, the dog; and the Mrs. Bennett Valdes, all wearing dress indicative of their interest in Sunday's annual Play Day at St. Joseph's school. —Menlo Camera shop photo

Localites To Model and Cavort At 'Demo Dames' Fashion Show

Three Menlo Park women will be among the 10 models to cross the dais at the fall fashion show being planned by the Democratic women of San Mateo county. The local mannequins include Mrs. Philip O'Donnell, Mrs. Leonard Cornell and Mrs. Paul Cook.

The style show itself will be held at 1:30 p.m. on September 30 at the Hillsborough estate of Dr. and Mrs. Norton Benner; Mrs. T. Evans Wykoff, DA 5-3849, is now accepting reservations for tickets.

Adalene Ross will comment on the fashions from Joseph Magnin's, while Lois Moran Young lends her talent to the microphone during a "Roaring Twenties" routine dreamed up by Mrs. Young and Mrs. Cook.

Those taking part in the playlet (to feature costumes, singing and dancing) are Mrs. Elizabeth Ryder, Mrs. Cook and Mrs. Edie Strickland, all from this area, and Mrs. Raymond Lang of Belmont.

An innovation for county Democratic women, according to Elizabeth Ryder of Menlo Park, head of the women's affairs division of the county Democratic central committee, this fashion event is hoped to be a forerunner of a brand new county club for the matron-and-miss set.

Fourteen Local Matrons Will Model Fall Fashions at The Nativity Guild's Wednesday Affair in Atherton

Fourteen models have been chosen to display the array of apparal at Wednesday's fashion show given under the aegis of the Nativity guild of the Church of the Nativity. The mannequins are:

Mrs. John Demeter, Mrs. William Brady, Mrs. Edwin Lawry, Mrs. Jerome Baumgartner, Mrs. Edward Burke, Mrs. M. J. Felciano, Mrs. John Roos, Mrs. Evert Larson, Mrs. Maurice Ackerman, Mrs. Frank Denney, Mrs. William Squires, Mrs. Karl Shattuck, Mrs. Peter Lacombe and Mrs. John Gertridge.

Two local coeds, Lynne Osmond and Roxie Rasey, will parade the latest in campus clothing.

Time for the affair is 2 p.m., and setting is the garden of the E. W. Van Buskirk residence at 54 Rosewood drive, Atherton.

Mrs. John Demeter, DA 2-1619, 501 Menlo Oaks drive, is taking reservations.

FULL STEAM AHEAD for next Wednesday's fashion show being sponsored by members of the Nativity guild of the church of Nativity! Pictured above (right to left) are Mrs. William Fablinger, secretary and chairman of favors; Mrs. G. D. Martin, chairman of music and public address; Mrs. Peter Bolich, head of general arrangements; Mrs. William Brady, model; Mrs. Arnold Ternquist, general chairman and models chairman. —Recorder photo

Friends Help Bitters Celebrate Their Silver Wedding Date

Congratulations were gaily offered Sunday afternoon to Mr. and Mrs. Herman Bitter, who celebrated their Twenty-Fifth wedding anniversary at their Alameda de las Pulgas home in Atherton.

Among well-wishers who gathered around the punch bowl placed in the Bitters' patio were Mr. and Mrs. Bert A. Wyss, Mr. and Mrs. O. Walther, Mr. and Mrs. M. H. Christie, Mr. and Mrs. J. L. Joseph and Mr. and Mrs. W. W. Lawrence.

Still others included the L. M. Dillons, Mrs. C. M. Green, Dr. Rachel S. Rafferty, Carol Anne Smith, Barbara Peterson, Lizbeth Ravetto, Joanne Green, Patricia Green, Joseph Rafferty, Donald Staight, John Anderson, Herman Bitter Jr. and Jon Bitter.

On September 24

Water Ballet Will Highlight AAUW 'Indian Summer' Fete

IN THE SWIM—Mrs. Robert Blink, director of the "Dolphins" Peninsula water ballet group, poses on the diving board for Mrs. R. H. Buckles, hostess, in preparation for the AAUW affair.
—Recorder photo

Dolphins and Ducks, an unusual group of young Peninsula matrons, will swim their way through some intricate water ballet numbers to highlight the "Indian Summer Frolic" to be presented next Thursday, September 24, by the Menlo-Atherton branch of the American association of University Women.

The informal party will be held between 2 p.m. and 4:30 p.m. at "Nine Oaks," the Renick H. Buckles home at 780 Ringwood avenue, Menlo Park.

Ballet acts produced and directed by Mrs. Robert Blink will be staged at 2:30 p.m. and again at 3:30 p.m. These will include such numbers as "Liberty Bell," "Side by Side," "Syncopated Clock," "Vaya Con Dios," "April in Portuggal" and others.

The Dolphins count in Mrs. Blink, Mrs. Daniel Creedon, Mrs. Roy Davenport, Mrs. F. M. Donahoe, Mrs. Ned Goecken, Mrs. James Hazlett, Mrs. LeRoy King, Mrs. Ralph Shermund, Mrs. Robert Tuck and Mrs. Adriaan van Hoften.

The Ducks include comediennes Mrs. F. E. Emerson, Mrs. Lyman Gillis, and Mrs. Robert Mangan; Mrs. C. E. Corder is wardrobe mistress for the aquatic company.

Another attraction at the Frolic will be a "Gayway" of display tables featuring committee and section work, projects and social activities of the branch.

More About:

BAZAAR PLANS

Under the guidance of chairman Mrs. Vita Morgan, Little House members working on the Bazaar have created nearly 2000 handmade articles destined for wrapping as Christmas gifts. The Christmas-in-September sale is scheduled for the 28th through the 30th at Little House, 930 Santa Cruz avenue.

Hours are noon until 9 p.m. Monday and Tuesday; 10 a.m. until 2 p.m. on Wednesday.

Proceeds from the Bazaar will be used to buy kitchen equipment for the new Little House now under construction in Nealon Park. Among the items to be offered are ornate candles, toys and Christmas tree skirts.

Jack Stannbauers Have a Baby Girl

Theresa Ann Stannbauer was happily added to Jack and Dorothy Stannbauer's household on September 2. The couple's brand new baby daughter was born in Glen, New York.

A 1952 graduate of Menlo-Atherton high school, Dorothy is the daughter of Mr. and Mrs. Richard Steinstra of Willow road. She and Jack were married last August and traveled to New York in June.

'Zorch' Club Party

Following the first football game of the season, Stanford vs. College of Pacific on September 13, the Menlo Circus club will hold an informal "headdress" party.

The dance-no-dinner affair will begin at 9 p.m. and no reservations are required. However, guests are urged to dream up the "zorchiest" headgear they can, and wear it.

Fun in the Sun for Everyone Promised at Saturday Affair

Not only do the two sponsoring Westminster Women's circles promise much "Fun in the Sun" this Saturday, but also benefit for national and foreign missions, other benevolences of the Westminster women of the Menlo Park Presbyterian church and aid in lifting the mortgage on the relatively new church building itself.

This announcement has been made by Mrs. Elton E. Dodge, general chairman of the all-church play day to be held from 10 a.m. to 5 p.m. at the John Wickett home in Atherton. Sponsoring groups are Circle No. 1 and Philathea circle.

Activity for all ages has been lined up for the day, including pony and merry-go-round rides for the very youngest; concessions and games of skill for the 'teenagers; a variety show, father and sons' baseball game and community sing for everyone.

And for those who are especially seeking "fun" without "sun", a tea from 3 p.m. to 5 p.m. will be given in the Wicketts' dining room.

Luncheon — barbeque, salads, varied deserts and beverages—will be served al fresco between 11 am. and 3 p.m.

Committee chairmen lending their planning talent to the affair are Mrs. Cliff R. Mott and Mrs. E. A. Wheaton, tickets; Mrs. Lyman Wear, grounds, assisted in the building of concessions booths by John C. Davenport.

Also on the "general staff" are Mrs. J. Reingpach and Mrs. Floyd Davidson, concessions, entertainment and games, assisted by Owen Johnson, emcee; Mrs. L. J. Schneider, prizes; Mrs. Knox Dudley, staffing; Mrs. Walter Bone, Mrs. Wheaton, tea; Mrs. John S. MacIntyre, food: Mrs. Elizabeth Chatterton, decorations; Mrs. Gene Sikeotis, publicity and Mrs. W. H. Mixter, finance.

Tickets may be obtained through the committee chairmen, at the Presbyterian church or at the gate during the event itself.

Portola P-TA Backs Cub Pack Formation

A meeting of the organization committee forming a new cub pack for Portola school has been scheduled for September 22 at the school.

The pack, open to boys from 8 to 11 years of age, is being sponsored by Portola's parent-teacher association. The new group, according to E. Irene Buelisch, president of the P-TA, is to meet a growing need for such a program in the Live Oak district.

After the three traditional "get-acquainted" meetings, an attendance committee will be appointed and registration of the pack's charter members will begin.

FIRST place in the three gaited saddle horse class of the State Fair horse show went to Happy Interlude, owned by Mr. and Mrs. Richard Elkus.

HAPPY HOOLIGAN, the Richard Elkus' horse, took second place honors in the five gaited saddle horse division, State Fair horse show.

WEEKEND PARTY

On the calendar for Sunday is the junior George Dickson Clark's cocktail soiree to be held at their Faxon road residence.

Women and children have costly accidents.

Newlywed Louis E. Pratts Are 'At Home' in Los Altos

New settled in their new Los Altos home are Mr. and Mrs. Louis E. Pratt (Georgina Tucker), who were married August 25 at the Bethany Lutheran church in San Jose.

Following a reception held at the Menlo Park home of Mrs. Alvin Gross, the justweds went on a honeymoon to Lake Tahoe and Northern California, where they visited with relatives. The bride is the daughter of Mrs. Alice Tucker of Menlo Park and Ralph Tucker of Cupertino; her husband's parents are Mrs. Bessie Barbarini of Redwood City and Emilie Louis Pratt of San Francisco.

For her wedding Gina, as the bride is known, wore a ballerina gown of white nylon. The bodice was of embroidered nylon, spiced with flounces of the same material; with this, Gina wore a tiny matching cap and carried a bouquet of white carnations and orchids.

Her sole attendant, Mrs. Robert Perry of Redwood City, the bridegroom's sister, was dressed in a ballerina-length light brown sheer.

Alvin Gross of Menlo Park stood beside Louis as the best man.

Gina, a Menlo-Atherton high school student, has two sister, Alice, also of MAHS, and Evelyn, who attends Portola school. Her brother, Robert, is currently serving with the marine corps.

Louis has three sisters, Mrs. Perry, Mrs. Delbert Kenyon of Woodside and Mrs. Earl Malone of Chicago. A graduate of Sequoia high school, he is now employed in Palo Alto.

Sisterhood's

GARDEN LUNCH

The Henry Gusman home at 98 De Bell drive in Atherton will provide the setting September 29 for the annual garden luncheon given by the Sisterhood of Temple Beth Jacob.

Mrs. Bernard Nobler and Mrs. A. E. Cramer are co-chairmen of the affair, which will have such attractions as oriental music, authentic Oriental dancers and a backdrop of colorful paper lanterns.

Proceeds from the luncheon will go toward paying for furnishings for the new temple now under construction.

Junior Museum Plans Are Going Forward

A decision made Monday to raise the necessary money and to remodel the building at Coyote Point has taken the San Mateo county Junior museum from the realms of probability and established it as an actuality.

The meeting which determined the above was held by the executive board and trustees of the museum, and included among its voices that of Mrs. Harry Caplan of Menlo Park.

The facility's finance committee hopes to launch a campaign soon to raise the needed $20,000; already contributed is $5000 from the Junior League and $2000 from the National foundation of Junior museums.

Suburban Club Makes Plans for Two Parties

At their Thursday meeting last week, Suburban club members decided they would invite their husbands to a "get-acquainted" barbeque later in the season—to be held at the Menlo Park home of Mr. and Mrs. Roy Haydel.

Also under discussion were plans for the club's coming card party designed to benefit their project, milk for the under privileged children of San Mateo county.

Localites attending the session included Mrs. John Gebhardt, Mrs. Haydel, Mrs. Charles Collier, Mrs. John E. Million, Mrs. Lloyd Hillman, Mrs. George Oefinger and Mrs. William A. Osmond.

SECOND PLACE

Marie Jo Jepson and her horse, Maple Starlite, won second place in the State Fair's horse show—three gaited saddle horse division.

"CHAMPAGNE Ball," the Circus club's fall formal, has been set for October 3.

Hundreds Attend Annual Street Dance In Suburban Park

Suburban Park's third annual street dance is now over and acclaimed a complete success.

The affair, which began two years ago as a celebration accompanying the turning on of street lights, was held on sultry Saturday night from 9 a.m. to 1 p.m. The various games and refreshment booths, not to mention a five-piece "live" band, drew probably 500 persons, according to an estimate of the chairman, Charlie Parsons.

Decor centered on strings of colored lights and colored paper on the bandstand—there was also a mural serving as backdrop for the soft drinks concession. Menlo Park merchants in the Suburban Park area donated much to the affair, which, from the look of things, bodes well to be an annual attraction.

Funds cleared will be used by the sponsoring Suburban Park Residents' association for the yearly children's Hallowe'en parade, for Christmas decoration prizes and for the Easter Egg Hunt.

Head of the residents' association is Bill Fablinger.

Tri Delts to Meet Here September 23

The Richard P. Walkers' home at 1337 Hillview drive will provide the September 23 meeting place for the North and South sections of the Tri Delta Peninsula alliance. The session is scheduled to begin at 8 p.m.

Mrs. Daniel R. Kelley of Menlo Park, president of the alliance, is in charge of the meeting, while Mrs. Richard Keigley, assisted by Mrs. James R. Loder, Mrs. Margaret MacPhee, Mrs. Kenneth Rolin, Mrs. Conway Betts and Mrs. Donald Ostrus, serves as hostess.

Mrs. Edward Morrison, district chairman from Berkeley, will be the special guest. Area Tri Delt alumnae wishing to attend for the first time may call Mrs. A. Michael Stewart at DA 3-2720.

AWVS Opens Ticket Sales

"Fall Fashion Originals" is the title chosen for the October 6 high style preview being planned jointly by the Menlo-Atherton and Palo Alto units of the AWVS (American Women's Voluntary Service).

The affair, with Mrs. Roberts S. Jones at the helm, wil be held at 1:30 p.m. on the grounds of the Cecil Whitebone residence in Atherton. Models will show creations by Dior, Sophie and other well-known designers: Connie Miller of Saks Fifth Avenue will coordinate the show.

The refreshment committee including Menlo-Athertonites will consist of Mrs. Richard De Vivo, Mrs. Charles Taylor and Mrs. Louise Cutter; Palo Alto unit members assisting Mrs. Jones are Mrs. Harold W. Starr, Mrs. Edward Hazen and Mrs. Burke Corbet.

Hostesses will be Mrs. Burt C. Kendall of Menlo Park, Mrs. Fredric P. Huncher, Mrs. Hazel Hyde, Mrs. William Potter and Mrs. Frank Shudoma.

Reservations, limited to 450, may be made by calling Mrs. Seaborn Chiles, president of the Palo Alto unit, at DA 5-2367, or Mrs. De Vivo at DA 2-0773.

The AWS maintains the servicemen's center on Santa Cruz avenue and the canteen known as the "Haven" at Veterans' hospital in Menlo Park.

Opera Preview Tonight

A lecture tonight on Massenet's opera, Werther, will open the opera preview series sponsored by the Junior League of San Francisco, in cooperation with the San Francisco Opera association.

All interested persons are invited to attend the talk, given by Dr. Jan Popper of UCLA, and slated for 8:30 p.m. at the Mark Hopkins hotel.

CHS Chapter Plans First Function for September 25

Plans have gone underway for the first affair to be given by the Menlo-Atherton chapter of the Children's Home society of California.

The event, calendared for September 25, will be a tea serving to acquaint area residents with the goals and functions of the statewide adoption agency which the Menlo-Atherton chapter was chartered to help support.

BRUNO BANDUCCI, captain of the 49ers, will be at the St. Joseph's school Play Day Sunday to aid in the dispersal of the autographed football and to sign things for the youngsters.

Members at the Monday m... also discussed a membersh... band pot luck supper plann... October 16.

When we came West, we learned...

Gas and electricity are cheap in California

say the A. E. Trudels, of Stockton, shown with their children

Among the many advantages of California living, one of the first discovered by Mr. and Mrs. Trudel when they moved West last year was the low cost of gas and electricity. They found these services cost far less here than in their former home.

With P.G. and E.'s combined rates actually *lower* now than in 1938, let bargain gas and electricity do more of *your* work . . . give you added leisure.

How P. G. and E.'s low rates save the Trudels money

In their Stockton home, the Trudels use these appliances for more pleasant, convenient living:

The Trudels' P. G. and E. bill (recent month) . . . **$10.37**

In their former home, the same amount of gas and electricity would cost **$25.67**

OPEN THURSDAY EVENINGS 'TIL 9

Carol's Column:

Warm Evenings Call for A Barbeque

September, I think, is the nicest month of the year in the Bay Area. The days are pleasantly warm and the evenings are balmy with just a trace of fall in the air. What more perfect setting for that last barbeque supper on the patio to round out the summer's list of activities?

Whether for a cozy group of four to six or for a real mob of 16 to 20, barbequed chicken will remain my topmost favorite for a main course.

All the other dishes on the menu to follow can be prepared well ahead of time and popped on the table when the chicken is ready and the guests have their nostrils full of the tempting smells coming from the barbeque pit.

Here is my pet menu for a September supper:

Barbequed chicken . . . almond rice . . . garbanzo beans in sauce . . . Caesar salad . . . frozen lemon pie . . . coffee.

CHICKEN

Let the chicken stand overnight in a mixture of 2 parts olive oil; 1 part wine vinegar; 1 medium sized onion;1 clove of garlic; salt and freshly ground pepper. Use the remaining sauce to baste chicken during cooking process, basting each time the chicken is turned (this is Pappy's delicate task).

The almond rice or pilaff is made with 1 cup of rice; 1 small minced onion; sliced almonds; 2 tablespoonsful of butter or margarine and 2 cups of boiling broth.

Melt the butter in a saucepan; fry onions until limp, not brown; add almonds and brown slightly; add rice, stirring constantly until golden brown. Add boiling broth, cover and cook until liquid is absorbed, about 25 minutes.

GARBANZO BEANS

For the garbanzo beans in sauce you need 2 cans of the beans (chick peas); ½ pound hamburger; 2 tablespoons of fat; 1 medium onion; 2 cans of tomato sauce; 1 can tomato paste; 1 teaspoon worcestershire sauce; garlic powder; salt; pepper; chili powder to taste and cayenne pepper.

Melt fat in a heavy skillet; fry onions to light brown; add hamburger, stirring until meat turns white. Add tomato sauce and tomato paste and all other ingredients except beans. Cover and simmer 2 hours adding water as needed. Add beans and simmer for ½ hour more. Reheat before serving.

CAESAR SALAD

Ingredients for the Caesar salad include 1 clove of garlic; ½ cup salad oil; ½ bunch romaine lettuce; ½ bunch curly endive; 3 tomatoes, diced; 1 cup croutons (fried in garlic butter); 1 egg boiled one minute; 2 2-ounce cans of anchovie fillets; ½ cup parmesan cheese; ½ cup lemon juice; 1 teaspoon worcestershire sauce; salt and pepper.

Mash garlic in salad bowl and rub around sides; add torn romaine and endive; mix in salad oil and toss lightly. Then scoop out soft-boiled egg; add other ingredients, using lemon juice last. Toss well. One-half cup bacon may be substituted for anchovies.

MEETING TONIGHT

The combined P-TA of Los Lomitas and Ladera schools will hold its first fall meeting at 8 p.m. tonight in Ladera's multipurpose room.

A reception for the faculty will highlight this evening's gathering.

Brentwood Plans Membership Drive

When opening day for its membership drive, October 5, rolls around, Brentwood P-TA will be ready to go into action, for a complete organization meeting was held by the membership committee Monday night at the home of Mrs. Leonard J. Lalka, 427 Wisteria avenue, membership chairman.

Using the letters P, T and A as a background for posters created by Leonard Lalka, the importance of P-TA membership by all parents and teachers is stressed. The posters say that the drive is held "to enlist Patronage, Teamwork and Activity of faculty and parents."

These posters will be placed in local stores the week of September 28. Miniature duplicates will be mimeographed and sent home to parents via their children, Sept. 30, followed by a comprehensive letter on the whys and wherefore of P-TA during the first week of the drive.

Portola P-TA Starts Season With Pot Luck

First fall meeting for Portola P-TA wil take the form of a 6:30 p.m. community pot luck supper to be held at the school this evening.

Families planning to attend are requested to bring their own main dish, salad and table service; coffee will be provided. All residents are invited to attend the affair, which will include a short business meeting to be followed by a social hour honoring the faculty.

'Punkin' Hollow'

OPENS SEASO

With summer vacation and school again open, ch and their parents alike ca forward to another seas plays sponsored by the sula Children's Theater a tion.

"Punkin' Hollow" will the third year of the asso on October 31. Objective production sponsors is to good live theater to the sters of the Peninsula.

Tickets for the perfora are now available and m obtained by calling Mrs. Mack, DA 2-1810.

This demonstration was worth many hundreds of dollars to me!

I thought only a higher-priced car would suit me. But then I found out how much more Chevrolet offered for how much less!

You're "sitting pretty" behind the wheel

Take this Bel Air model. First thing you'll notice is the quality of the interior. Rich-looking appointments. Roomy seats with foam rubber cushions. Turn the key to start the engine and you're ready to go.

You can see all around

You look out and down through a wide, curved, one-piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

You get more power on less gas

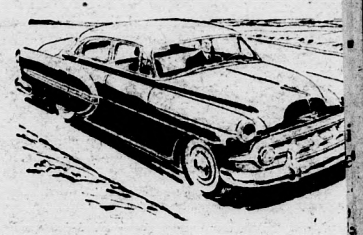

That's because Chevrolet's two great valve-in-head engines are *high-compression* engines. In Powerglide* models, you get the most powerful engine in Chevrolet's field — the new 115-h.p. "Blue-Flame." Gearshift models offer the advanced 108-h.p "Thrift-King" engine.

Biggest brakes for smoother, easier stops

An easy nudge on the pedal brings smooth, positive response —right now! Chevrolet's improved brakes are the largest in the low-price field.

It's heavier for better roadability

You're in for a pleasant surprise at the smooth, steady, big-car ride of this new Chevrolet. One reason is that, mod for model, Chevrolet will wei up to 200 pounds more tha the other low-priced cars.

You get greater getaway with the new Powerglide*

A lot finer performance on lot less gas. That's what yc get with the new Powerglic automatic transmission. There no more advanced automat transmission at *any* price.

And it's the lowest-priced line

A demonstration will show yo that Chevrolet offers just abou everything you could want. Y it's the lowest-priced line in th low-price field.

**Combination of Powerglide aut matic transmission and 115-h. "Blue-Flame" engine optional o "Two-Ten" and Bel Air models extra cost.*

Let us demonstrate all the advantages of buying a Chevrolet *now!*

What's Doing In Menlo Park's 'Teen-Age Set

By

DA 3-9975 **Melinda Percy and Jo Booth** DA 3-1909

Before departing to their various colleges, several June grads of M-A spent the weekend at **Marian Cadigan's** parent's home at Carmel. The fellows and gals spent a perfect Labor Day last get-together; quite "a ball", according to **Georgialee Gayer.**

All had fun snapping crazy pictures, swimming in the pool and the ocean, and just generally enjoyed themselves for the last time. In on it were **Connie Stelmach, Barbara Long, Marian, Ron Collingham, Georgialee, Wes Day, Bob Hubbs, Stew Graham, Joan Bedell** and **Marian Brown.**

* * * *

Another way to get together for a "last ball" before studies start again, is to have a back-to-school party.

M-A gal **Toby Hanna** did this last weekend, and her many guests ate, danced, played games, and had a Charleston contest won by **Jeff Pinto** and **Susan Arnold.**

Others in the group were **Jane Randall, Connie Kent, Liz Yarborough, Carol Coffin, Joanne Lusch, Susan Rochford, Susan Estberg, Sydney Grey Nancy Parrish, Lois Martin, Bill Miller, Eric Stendall, Bobby Windell, Kenny Ackerman, Bob Rundel, Bill Drum, Bill Bul!, Jim Sherman, Dick Tjaden, Jim Kjergard, Roger Horn, Bart Corbus** and **Pat Patterson.**

And yet still another way to renew friendships that might have gone old during the summer—a luncheon for 23 gals at Rickey's and swimming after at **Ann Duniway's** home. Choosing this way to exchange gossip were **Sally Cotton, Nancy Walsh, Joanne Brown, Carol Ullman, Gae McOllister, Thelma Elston, Carol Abel, Carol Tuft, Cindy Klink, Margaret Roehr, Kristi Olson, Evelyn Hodges, Marleen Balogh, Jackie Thompson, Phoebe Martin, Janet Gomes, Karen Nelson, Lucille Kaneko, Samako Sakaguichi, Joan Frazier, Sandy Fickes** and **Della Hurlbut.**

* * * *

Spending the Labor Day weekend at Lake Tahoe was Jackie Thompson, while **Mardy Keyes** and **Dave Easley** were also up there. **Margaret Roehr** was with her parents at Monte Toyon, a Presbyterian church camp, also the latter part of the summer.

* * * *

With this warm weather we've been having lately, the best place to be is in a swimming pool and one appreciates it even more after the first day of school.

Jim Symons thought so too, so he invited a few warm seniors to his pool in Atherton after the last bell Monday to cool off for a while. If you happened to walk in there early you might have seen **Al Feinstein, Bernie Bruce, Jim Bush** and **Ron Williams** before they left for football practice at M-A.

A little later on, **Mimi Waggonner, Joan Bell, Sue Stolp, Glenda Spera** and **Jo Sanford departed,** as Miriam had to have the car home. Sound familiar? As they were leaving, your columnist arrived to see **Dodie Huettig,** and **Berk Johnston** jitterbugging, **Dave Sexton** playing the piano, and **Jim, Dick Wickstrom, Ken Whitcomb, Roslie Abreu, Charlie Martin** and **Dave Sundquist** splashing in the pool.

Late arrivals to the group were **Don McLean** and **Janet Heter** dropping in for a late swim.

* * * *

To introduce a new girl in the area, **Monte Wilson,** to a few M-A girls, a group of the latter gathered at the tennis courts recently and then journeyed to **Gerry Rinfret's** home for lunch. Those who met this nice gal from Arizona were **Angela Bowen, Priscilla Pinto, Margery Keyes, Janie Bell** and **Melinda Percy.**

* * * *

Nancy Speck was off to Rio Del Mar for five weeks with friends. And during that time, her twin sister **Mary** was in Big Basin with her family.

Nancy Heinrich enjoyed a vacation and north with her family. They went up through the Feather River country, Mount Lassen, Crater Lake, where it snowed (we get more different weather reports about that place!), Oregon Caves, and down along the coast highway.

Diane Neil and family took a holiday, and went to Carmel and Monterey, a very popular locale.

* * * *

Audrey Rhoades, Don Sanford, and **Richard Meredith** all attended a church camp, Cazadero by name, as ambassadors from the Palo Alto's Congregational Church's Pilgrim Fellowship.

Joanne Broeren went back east with a cousin. They toured through New York, New England and Canada.

Another M-A student goes north! **Gayle Montana** and her family took in the sights.

The California State Fair was the reason for an auto trip taken by **Bob Ackerman, Terry Trumbull** and **Spencer Atkinson.** The boys drove up to Sacramento to take in the show. And the mercury hit 110 degrees!

Four girls from Menlo Presbyterian Church, attended the Inner Presbyterian conference at Zephyr Point, Lake Tahoe. Present and enjoying themselves very much were **Helen Brainerd, Judy Patterson, Pat Kelly** and **Darla Tupper.**

EPA Delegation To Host County Women's Clubs

The East Palo Alto Women's club will host San Mateo county federation of Women's clubs on Wednesday, September 30 at the Marie Antoinette hotel.

At 9:30 a.m. a parliamentary law class will be conducted by Mrs. Edward Murphy, county parliamentarian. This will be followed by a business meeting.

Reservations for luncheon must be made not later than Saturday, September 26, with Mrs. Percy DaMant, 2261 Euclid avenue, East Palo Alto, DA 2-6279.

How to make good telephone service even better . . .

A personal number list helps to *speed your long distance calls*..... Whether it's a birthday call to the folks back home, or an important business call across the nation, you'll save time if you give the operator the out-of-town number you're calling, rather than just the name and address.

A free personal number booklet . . . for the local and out-of-town numbers you call most often . . . is yours for the asking. Just call, send a postcard, or drop in to your nearest Pacific Telephone business office . . . and start your personal number list today.

emergency calls may arise while you are using your party-line. If a telephone neighbor breaks in and explains the emergency, it's always thoughtful to hang up and complete your call later.

BY PROXY

Play day for Stanford clubers is scheduled for September 27. The affair will be given at Huddart park (two miles west of Woodside on King's Mountain road) . . . time from 12 noon to 4 p.m.

* * * *

A couple known well in this area were quietly married last weekend. **Dr. Robert Condie** claimed **Sarah Rideout** as his bride during a ceremony held in the San Francisco apartment of the new matron's sister. Only immediate members of the family attended.

When they return from their Carmel honeymoon, Dr. and Mrs. Condie will make their home somewhere in this area.

* * * *

"Buzz" Bitter, son of the **Herman Bitters** of Atherton, is transferring from organized army reserve corps to active duty . . . he expects to report to Fort Ord early next week.

* * * *

It looks as if **Hal** and **Becky Connable's** many friends here won't have the opportunity to see them this week as planned—they're not scheduled to make the Hawaii-to-Mainland hop for a while yet, according to Mrs. Alfred Becker, Becky's mother.

* * * *

Emma Schuler's son **Geoffrey** has returned home to Menlo Park after spending the summer with his grandparents in Long Beach—they brought him up here and stayed a bit before going down south again.

* * * *

The Senior auxiliary to the Stanford Convalescent home has set aside November 1 as the date for their annual fall rummage sale at the parish house of All Saints Episcopal church in Palo Alto.

Chairmen are **Mrs. Rene LeRoy, Mrs. Cachot Davis, Mrs. Theodore Lenzen** and **Mrs. R. R. Sutton,** all of Atherton, as well as **Mrs. Henry Carmean** of Palo Alto and **Mrs. Duncan O'Neal** of San Jose.

* * * *

The **Frank Mollenhauers** of Roble avenue heralded the opening of Menlo college's School of Business Sunday afternoon with cocktails for some 18 guests at their home, following which many of them went to Adobe for dinner.

MP Lass in Training

WAVE Ensign Christie L. Huettman of 1380 Cotton street is reported to be completing a 16-week indoctrination for women line officers at the US naval school, officer indoctrination women, Newport, Rhode Island.

The course also takes in tours to ships and shore activities in the vicinity.

Dental Auxiliary Tea

Menlo Park will be the site for the annual membership tea of the San Mateo county Dental auxiliary. The affair will be held today from 3 p.m. to 5 p.m. at the Allied Arts guild, and all dental wives are invited.

Mrs. Willis Nelson, DA 5-5245 may be called for last-minute reservations.

Monday Tourney Honors

When the Menlo-Atherton bridge club held its Monday session at the Marie Antoinette hotel, Mrs. Katherine Soderburg and Mrs. George Clark came out in first place. Second place honors went to Mrs. Eleanor Black and Mrs. Raymond Powers, while Mrs. Charles de Bretteville and Mrs. Rich Hyde placed third.

Tonight's regular bridge tourney will take place at 7:45 p.m. in the Marie Antoinette.

There'll Be Lots Doing in Monterey

Going on the theory that all work and no play add up to not much of a weekend, planners of the GOP policy conference being held in Monterey Friday through Sunday have lined up social, as well as political, events.

Chairman of the conference is Proctor Jones; other localites planning to attend include Mr. and Mrs. John Lehman, Mr. and Mrs. Harlan Zeal, Mrs. Gloria Brady, Elise Stafford and Mr. and Mrs. Junius Cary.

Starting things off will be a beer and pretzel party Friday evening; then, on Saturday morning a golf tournament (also work sessions Saturday morning and afternoon); on Saturday evening, delegates will be sipping cocktails at Casa Munras.

A large dinner Saturday night will feature talks by Senator Thomas H. Kuchel and Lynn T. White Jr., president of Mills College. After dinner, an open house hosted by Goodwin J. Knight is scheduled, as is a reception for Ronald Button, state central committee chairman.

Sunday morning breakfast will be highlighted by an address from Congresman Joe Holt: last event is a picnic at Indian Village, Pebble Beach, Sunday afternoon.

JUNIOR NATIVE DAUGHTERS will hold their regular meeting Saturday at 10 a.m. in Central school: officers' presence is requested.

THE Peninsula Dale Carnegie club met Tuesday.

"Back-to-School" P-TA Meeting Is Projected by Menlo-Atherton

"Back-to-School" night plans for their Oct. 1 P-TA meeting were readied yesterday at the first fall meeting of the Menlo-Atherton high schol P-TA executive board. Mrs. Henry Keyes, new president, presided.

This type of meeting has proved highly popular as a means of "orientation" for both parents and faculty, particularly so at the start of the school year.

A report was given by Mrs. Chalmer Mills on the very satisfactory results of the summer student placement bureau. Mrs. William Stelmach is co-chairman of the project.

MISSIONARY GROUP

Next Tuesday, September 22, the Women's Missionary group of the Menlo Park Baptist church will gather at the church at 7:30 p.m. with their guest speaker, Mrs. Luther Plankenhorn.

Just like your favorite slippers

Comfort is hard to describe. It's a sleeping kitten next to a stove. It's that extra blanket on a cold night. It's a hammock on a summer afternoon.

It's also a Pullman room on an S.P. streamliner, and here's why: You have lots of space to relax in. You have all the privacy you want. You have individually controlled air conditioning. You have the wonderful full-length Pullman bed and clean white sheets every night. You have your own private toilet facilities. You have all the attentive personal service of a top-flight hotel. *And* you have the many recreational facilities of the Lounge Car, including games, refreshments and the stimulating conversation of congenial people.

Next time you travel on Southern Pacific, try the luxurious comfort of a Pullman room—roomette, bedroom, compartment, drawing room or suite. Also available: Pullman section space (upper and lower berths). You can reserve space in advance.

FREIGHT TRAVELS IN COMFORT, TOO

We handle freight gently and at low cost, too. On an average we move a ton of things for only 1.45 cents a mile. We have more miles of line serving more Western cities and towns than any other railroad. So, for fast, efficient and dependable freight service—whether carloads or l.c.l. —call our nearest agent.

Trinity Women Meet Today; Extend Parties

The patio parties given all during summer by members of the Women's auxiliary to Holy Trinity Episcopal church will be extended, it was announced this week, and will become "fireside parties."

One of the latest gatherings, designed to raise money for the parish building fund and to augment good fellowship, was given by Mrs. Eric Jackson, wife of the rector, and her daughter-in-law, Mrs. Michael Jackson.

Today, the auxiliary will hold its first monthly meeting of the fall season, at this time reports on the success of the patio parties will be given by the chairman, Mrs. Sanborn Backus.

Last weekend Mrs. Frank Serratoni, auxiliary president; Mrs. Milton Smith, chairman of Christian social relations; Mrs. Backus, chairman of worship and Mrs. William Honerlah, recording secretary attended a two-day conference at El Rancho del Obispo.

Keeping up the busy pace, the women of the church are also getting ready for their part in the September 26th "Forward in Fellowship" festival to be held at the church.

Mrs. Edwin Brooks, chairman of the garden shop, gave a dessert luncheon for members of her committee recently; attending were Mrs. Joseph Allain, Mrs. Geoffrey Almy, Mrs. D. W. Brown, Mrs. Robert Cavallero, Mrs. David Kemp, Mrs. Dorothy Mix, Mrs. Margaret Rice, Mrs. D. H. Ross and Mrs. Frank Serratoni.

Others responsible for booths include Mrs. George E. Angus, gift shop, and Mrs. Milton Smith, home cooked foods.

Wanted for a Picnic

A great effort is being made at the present time to line up alumni of the Roosevelt high school in Oakland. The reason is a "homecoming" picnic on September 20 at 10 a.m. in Tilden Regional park.

So if anyone reading this is a former Roosevelt high student or teacher, pack up a lunch, some firewood and game equipment and "come to the party." For more information call Mrs. Alec Lawrence, KE 2-6850; Mrs. Ernie Hamlin, GL 1-4779; Mrs. Henry De Kat, HU 3-7289 or Mrs. James Cohenna, HU 3-0716.

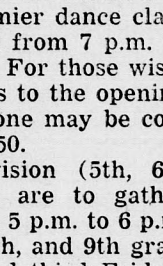

Dance Classes at Club

On Friday, October 2, open season on dancing will begin for children of members of the Menlo Circus club. The premier dance class party will be held from 7 p.m. to 9 p.m. at the club. For those wishing to bring guests to the opening classes, Agnes Boone may be contacted at DA 2-2050.

The junior division (5th, 6th and 7th graders) are to gather every Friday from 5 p.m. to 6 p.m. The 'teenagers (8th, and 9th graders) meet first and third Fridays from 7 p.m. to 9 p.m. and will enjoy one dinner dance during the season.

THE JUNIOR LEAGUE will hold a general meeting tomorrow at 10 a.m. in the Peacock court of Hotel Mark Hopkins. New provisional members will be welcomed at the session.

TRAVELED TO SIERRAS

REDWOOD CITY will be the future home for the new Mr. and Mrs. Hugh James Staight, who were married on September 6. The bride, formerly Jean Frances Lo Monaco, is the daughter of Mr. and Mrs. Michael Lo Monaco of San Carlos; her husband is the son of Mr. and Mrs. Bert A. Wyss of Atherton.

—Gordy Ingersoll photo

In Rome, Says Correspondant,

Poverty, Wealth Walk Side by Side

(Ed. Note: Our correspondent, Charlotte Henderson, writes this letter from Albergo Continentale Roma.)

"Dear Folks,

". . . Here I am in Rome, and it is really a remarkable city.

"It gives me quite a thrill to see the remains of the old Roman Forum of Julius Caesar—the ancient walls of Rome—to drive on the ancient Appian Way — to look across the Tiber River of so much fame.

"And it was certainly a never-to-be-forgotten experience to sit at night in the open air theater in the Baths of Caracalla, built 2000 years ago, and to hear the opera sung by the best Italian singers—glancing away from the stage, the walls of the baths were lighted up by the full moon.

MODERNITY

"Then, on the other hand, there are more modern buildings — a beautiful enormous station and lovely modern apartments (Ingrid Bergman's was one of these).

"It is a very hard city to get around in. The streets are not marked plainly; the numbers go up one side of the street—like 1, 2, 3, 4—and down the other side. So you may be standing by 16 on one side, and on the other is 156. It's most confusing.

"The Italian people have been lovely to us. They seem to really like us, which is more than the French did.

"The thing that amazes me here is that you can get along anywhere whether you speak Italian or not.

"In France they would shake their heads and walk away. Here they study your hands and watch where you point and all of a sudden, a great light dawns, and they are pleased as you are when they understand what you are saying.

WITH MOTIONS

"I took a taxi yesterday. The man couldn't understand one word of English. I said 'Coliseum' — that he understood—and beamed. Then I pointed to my camera and made believe to take pictures.

"'Uh, si, si signora,' said he. I said, 'You wait for me'—that he didn't understand, so I said, pointing to the camera, 'Un momento', then 'Hotel Continental'. 'Uh, si, si'—and all was well.

"The only trouble is that after they understand you, they want to help so much that they become a nuisance. He wanted to stop all along the way for me to take other things.

"One day I got hungry and pointed to my mouth and made believe to eat. I had four Italians grabbing my arms to escort me to an eating place.

POVERTY

"They are very friendly and very interested. But there is so much poverty it is pitiful. The farmers all have landlords and only work for 1000 lire a day or $1.61 for 10 to 12 hours. The bus drivers make $50 a month (this was told to me by a bus hostess).

"All through the country there are signs 'Vote Communistic!' It is sickening, but one can understand how ignorant people, as poor as so many of them are, are willing to try to obtain something which they are assured will be better.

"We stopped one day up in the Italian Alps; a cold stone hut, all stone floors, practically no furniture, a pathetic little half-clothed girl about 12—she touched my earrings and I tore them off and gave them to her.

ONE TOMATO

"Here in Rome I have seen men buy two cigarettes. I am told by an American who lives here that they go to a market and never buy more than one tomato. There is certainly a great deal of wealth—but so much poverty!

"It is sad, for they are fine people.

"Tomorrow I fly to Oslo."

District CCPT Holds First Meeting Today

First meeting of the Seventeenth district, CCPT, will be held at 10 a.m. this morning in South San Francisco high school.

The morning program will consist of a panel discussion in juvenile protection led by District Attorney Louis B. Dematteis, and dealing with such items as child welfare, probation and children's court work, both real and ideal.

The afternoon session will comprise a round table discussion on P-TA plans and policies with Mrs. Gregory Davis, Mrs. Lester Nettle, Mrs. August Johnson, Mrs. E. M. Davidore, Mrs. T. W. Seweloh, Mrs. C. L. Crawford and Ralph Shaw participating.

As no hot luncheon will be served, everyone is urged to bring a "nosebag" lunch; coffee will be served by the hostess P-TA.

Alice Hodgson Returns From Summer in East

Alice Hodgson, who accompanied Jack and Dorothy Stannbauer to New York this June, has been welcomed back home by her friends. The Sequoia graduate is the daughter of Mr. and Mrs. Howard Hodgson of Menlo Park.

During her stay on the East Coast, Alice traveled to Vermont and Cape Cod (where she went swimming in the Atlantic ocean). Massachusetts, Rhode Island, Philadelphia, New York, New Jersey and Connecticut, paying calls to several relatives.

Alice returned home a week ago Saturday with her father, crossing the continent during the height of the recent heat wave.
